Add source as a search filter

Choosing this option sets the publication that you found as a filter for your search. You can do this before or after you've entered your search terms.

Once you add a source as a search filter, you will see a brief message at the top of your screen indicating the publication/source has been added as a filter.

```
Asbestos Bankruptcy: Mealey's Litigation Report added to filter
```

Subsequent searches will only be within that added source.

To be proactively notified when a current Mealey's title has been updated, choose **Create a publication alert** from the pull-down menu; then, choose the options that best suit you, including the duration, delivery type, format and frequency. You can also access your alerts in the Alerts pod on the Lexis Advance home page.

Q Search relevant Mealey's titles

You can easily search any or all Mealey's titles for information on a specific topic. From the Lexis Advance home page, enter your search terms in the Red Search Box, click the **Filter** pull-down menu and select Category > **Legal News**. Another option is to enter a Mealey's publication name in the search box (being sure to include the apostrophe in the spelling), then narrow by source.
