Florida

LEGAL RESOURCES | 2015 CATALOG

As a Florida legal professional, you need to rely on a variety of research resources. Whether you have an established library or are looking to start or grow your personal mobile or print library, LexisNexis® offers an extensive portfolio from respected names including Matthew Bender®, Michie™ and Mealey publications™, and now incorporating Sheshunoff® and A.S. Pratt® banking and compliance content—backed by unparalleled authorities and editorial excellence.

Gain problem-solving insight critical to building your case, with more sources, more features, more access.

Expert Sources—Cited frequently by the courts, LexisNexis treatises are recognized authorities in Florida. Written by leading authorities in their areas of law, *Collier on Bankruptcy*®, *Nichols on Eminent Domain*, *Moore's Federal Practice*® and *Appleman on Insurance* are comprehensive go-to resources for Florida practitioners.

eBooks—Make every moment count by loading your mobile device with relevant selections from our eBook library—now numbering 2,400 titles. Links to Lexis Advance® make it easier to act on your research.

More Intellectual Property Titles—To strengthen our intellectual property library even more, we have added over 35 titles, acquired from Oxford University Press U.S. Law Division. They join flagship Matthew Bender treatises *Chisum on Patents*, *Gilson on Trademarks*®, *Milgrim on Trade Secrets*® and *Nimmer on Copyright*®.

Digital Library—If you belong to a larger firm, access to LexisNexis eBooks is even faster when your firm subscribes to our new Digital Library. Law firms like the reduced costs of managing eBooks and the efficiency of making the same publication available to multiple users at the same time.

With an extensive collection of titles to choose from in print and eBook formats, now is the best time to add to your library! Browse our catalog to find the legal resources that fit your practice.

LexisNexis® Florida Annotated Statutes, The Florida Bar Edition

LexisNexis and The Florida Bar have partnered to create a new and enhanced Florida Annotated Statutes set. LexisNexis *Florida Annotated Statutes, The Florida Bar Edition* now includes exclusive new references to more than 40 of The Florida Bar's CLE publications so you can expand your research on a topic more easily than ever. Distinguishing features of this new and improved set include:

- References to LexisNexis Practice Guides and other secondary source materials
- The text of the statutes as passed by the Florida Legislature and supplied by the Division of Statutory Revision
- Cross references to related statutory provisions, court rules and constitutional provisions
- Cross references to related provisions of the Florida Administrative Code
- Opinions of the Attorney General appearing under their own heading, making it easier for you to distinguish them from case notes
- Comprehensive amendment notes for each statute that has been changed since 2002, allowing you to recreate the statute as it existed
- Finely tailored case notes that meaningfully interpret, apply or construe the specific statute

S 51 hardbound volumes, with index and supplement package, Pub. #41070, ISBN 9781422469705

LexisNexis® Florida Rules of Court Annotated

LexisNexis Florida Rules of Court Annotated provides a complete collection of state and federal rules of court and rules governing the conduct of the bench and bar in Florida. The durable softbound format allows the four volumes to be revised and replaced economically each year, and gives Florida lawyers speedy access to state and federal court rules. Semiannual supplements ensure the most timely references to rule changes and court holdings. The publication includes case annotations, references to attorney general opinions, law reviews and other research sources deemed beneficial to the users of this product, with separate indexes for the State Rules and Federal Rules for quick, efficient research.

NS 4 volumes, softbound, replaced annually, with semi-annual supplement, Pub. #41161, ISBN 9781630439033
eBOOK • eISBN 9781632817679

Florida Administrative Code

The *Code* is fully annotated with decisions of federal and state appellate courts, state attorney general opinions, orders of the division of administrative hearings and final agency orders construing the rules so you don't get blindsided by an unexpected rule. The set is complete with:

- 12 volumes of rules
- Tables of repeals and transfers
- A general index and table of statutory cross references

Florida Advance Legislative Service

Florida Advance Legislative Service (ALS) is an annual subscription that delivers the latest laws as enacted by the Florida Legislature. Formerly called the Florida Session Law Reporter, it has provided continuous and reliable service to Florida attorneys since 1981. These convenient pamphlets present the full text of the laws as received by our expert legal editorial staff, and they are intuitively organized with a Summary of Acts, a cumulative Table of Sections Affected and a cumulative Index so you can find what you need quickly and compare it to the previous law. Along with the latest supplements to [LexisNexis Florida Annotated Statutes, The Florida Bar Edition](#), published officially for the State by LexisNexis, this is the product you need to keep your research library updated with the most recent primary law.

A Matthew Bender Elite Product

Collier on Bankruptcy®, Sixteenth Edition

Alan N. Resnick, Henry J. Sommer, Editors-in-Chief; with contributing editors and authors

For over 115 years, *Collier on Bankruptcy*® has been recognized as the most comprehensive and authoritative source of bankruptcy law information.

Written and edited by leading scholars and practitioners in the field of bankruptcy, it helps you work more efficiently and effectively with features that make it easier and faster to find critical information:

- **The text focuses on the current state of the law**, with coverage of historical developments usually contained at the end of the chapter. The information you need most is the information you'll find first.
- **Each chapter is broken down** into detailed paragraphs and subparagraphs with descriptive captions, enabling you to find the specific information you need quickly.
- **Collier on Bankruptcy authors and editors** give you their expert opinions on issues that are unclear or unsettled, providing you with the authority you need to take a position.
- **The forms are organized** into four volumes of commercial bankruptcy forms and two volumes of consumer bankruptcy forms, making it easy to find the form you need for a specific situation.
- The eight appendix volumes contain a thorough collection of primary source material, including bankruptcy legislation and relevant legislative history.

Florida Criminal Practice and Procedure, Third Edition

Hon. Jenifer Davis, Hon. O.H. Eaton, Jr., Hon. Donna McIntosh, Hon. Lisa T. Munyon

Provides a complete, easy-to-use examination of every aspect of substantive criminal law and procedure that can arise during a typical Florida criminal case, as well as a comprehensive analysis of all stages and aspects of criminal procedure in Florida courts, from arrest to appeal.

Florida Criminal Practice and Procedure sets standards for the basic law, then discusses underlying Supreme Court decisions, statutes, rules and district court applications of these standards, all in the context of specific fact patterns. In addition, it contains cites to controlling statutes and cases (both Florida and federal) and provides practical advice and strategy on conducting an effective defense for the client.

Criminal Law—Law Enforcement

Florida Criminal Justice Sourcebook

Combines the material found in the *Florida Criminal Law and Motor Vehicle Handbook* with the *Florida Criminal Jury Instructions Handbook*, plus additional statutes and court rules, so you have everything you need to enforce the law in one convenient publication. This ultimate law enforcement resource for Florida provides many features:

- Florida criminal and motor vehicle statutes commonly used by police departments, sheriffs' offices, prosecutors and defense attorneys
- Select legislative summaries prepared by professional legal analysts
- *Legal Guidelines* by Gus Beckstrom, presenting a concise overview of criminal procedure
- Glossaries of common Spanish and Haitian Creole phrases—useful in situations involving motor vehicle stops, search and seizure, arrest and injury
- *Florida Criminal Jury Instructions* with penalties and interpretive decisions explaining the elements and offenses
- Comprehensive, professionally prepared index

This title is used widely throughout the state at training academies and in college-level law enforcement and criminal justice classes.

NATIONAL TITLES

Criminal Procedure for Law Enforcement and Criminal Justice Professionals, Twelfth Edition

Larry E. Holtz

Criminal Procedure expert Larry E. Holtz presents a new and innovative approach to the study of modern constitutional criminal procedure. In this comprehensive publication, the classical and current United States Supreme Court and federal circuit court decisions are presented and explored in a distinctive *Question—Answer—Rationale* format, through which Mr. Holtz removes the guesswork in, and tedious search for, "today's law." He also has noted those specific areas of state court departure, wherein many state courts, through the process of what is sometimes called "New Federalism," rely on their own constitutions to provide state citizens with added protection to their rights and liberties.

Clarks' Oil and Gas Financing Under the UCC: Perfecting and Enforcing Security Interests

Barkley Clark, Barbara Clark, Matthew Clark

Plummeting oil and gas prices are causing major shifts in the market for oil and gas project financing. The fluctuating nature of oil and gas collateral is creating a whole new world of lending risk. Now is a critical time for lenders to protect their loans and to review existing loan documentation to strengthen their security interests where necessary. This new eBook contains a wealth of practical advice for anyone who deals with security interests or liens in oil and gas collateral. Also published as Chapter 13 of *The Law of Secured Transactions Under the Uniform Commercial Code*.

Professional Responsibilities of Insurance Defense Counsel

William T. Barker, Charles Silver

This publication provides comprehensive and detailed guidance for defense counsel retained by an insurance company as well as for the company itself, covering every step of the representation.

From the formation of the attorney-client relationship(s), through the necessary initial communications with the insured, and into the trial or settlement that normally concludes the representation, this publication covers the gamut of complex issues that may arise in the course of the defense. It examines the special issues affecting insurance staff counsel, the circumstances in which the insured is entitled to independent counsel, and the responsibilities and liabilities of independent counsel when representing the insured.

Powell on Real Property®

Richard R. Powell; Michael Allan Wolf, General Editor; revisions by prominent contributors

For more than half a century, this treatise has been the one source to turn to for answers to real property law questions. With its unparalleled coverage, it is cited more than any other treatise on real property law. Each update to the treatise contains expert analysis and includes Powell in the Courts, a quarterly analysis of recent case law citing Powell written by General Editor Michael Allan Wolf. Topics include:

- Landlord and tenant law
- Mortgages, liens and foreclosures
- Condominiums, cooperatives, homeowner associations and timesharing
- Tax aspects of real estate transactions
- Conveyancing
- Deeds, recording acts and title insurance
- Easements, licenses and restrictive covenants
- Land use planning and regulation
- Effect of telecommunications laws on real property interests

Tax Law

NATIONAL TITLES

Bender's State Taxation: Principles & Practice

Charles Swenson, General Editor

Identifies, explains and examines state tax issues of concern to state and multi-state taxpayers and their advisors. From federal and state constitutional limitations to local taxes, *Bender's State Taxation: Principles & Practice* provides practical, insightful discussion and analysis of the often detailed and always complex principles governing state tax compliance and planning. Practical rather than academic in approach, it is authored by state tax practitioners from the legal, corporate, academic and accounting professions.

S 2 volumes, loose-leaf, updated twice per year, Pub. #01495, ISBN 9781422419458
eBOOK • eISBN 9781579111564

Federal Income Taxation of Corporations Filing Consolidated Returns, Second Edition

An invaluable tax planning guide and procedural manual, this authoritative publication meets the demand for substantive analysis on this domain of tax law. It includes:

- Workpaper examples showing calculations for multiyear accounting procedures
- Elections and options—with explanations of when and how to use them
- Text of pertinent revenue rulings and procedures, IRS private letter rulings and general counsel memoranda

Detailed textual analysis covers the affiliated group; intercompany transactions; capital gains and losses; net operating losses; earnings and profits; special limitations on certain deductions; intercompany distributions; excess loss accounts; investments in affiliates; methods of accounting; special inventory adjustments; specialized industries; and much more.

Larson's Workers' Compensation Law

Lex K. Larson, Thomas A. Robinson

Larson's gives you in-depth analysis of the law behind any type of workers' compensation claim including variants arising from a wide range of circumstances, such as the exclusive-remedy defense, employment relations, subcontractor relationships, emotional stress, recreational injuries, aggravation of pre-existing condition or disease, assault, suicide, intoxication, third-party actions, sexual harassment, bad faith, retaliatory discharge and more. In addition, *Larson's*:

- Covers situations already litigated, as well as newly developing areas of the law
- Discusses the variations in state law and their consequences
- Brings order to a welter of local practices by grouping states that agree on a particular pattern of law
- Provides up-to-date, detailed case summaries for comparison of facts and holdings
- Discusses interaction of workers' compensation with other laws, such as the Americans with Disabilities Act, Social Security, and Longshore and Harbor Workers' Compensation Act
- Contains helpful examples illustrating main points

Larson's Workers' Compensation, Desk Edition

Lex K. Larson, Thomas A. Robinson

Delivers detailed case analyses, statutory references and essential background information in timesaving, comprehensive portions. With this compact reference, you can understand the different categories of risk and the cases that support them; determine compensability under the law; and handle even the most complex compensation claims or defenses. Additionally, the parallel section numbering system eliminates the need for repeated cross-referencing between the sets.
