 LexisNexis®

Official Publisher of the New Hampshire Reports

LexisNexis is the official publisher of the *New Hampshire Reports*, which contains opinions decided by the Supreme Court of New Hampshire. All points of law in each opinion are fully headnoted with all relevant points of law by our attorney editors and reviewed by the reporter of decisions of the Supreme Court of New Hampshire.

The bound volume contains the contents of the four latest advance sheet pamphlets, plus:

- Each volume contains a series of useful tables, including a table of cases, a table of parallel citations, and a table of statutes cited or construed
- All the headnotes appearing at the top of each opinion are also carried at the back of the volume, in a handy digest, organized alphabetically by topic

Subscribing to the *New Hampshire Reports Current Case Service* gives you access to the law as it is being made.
