Dear Practitioner and Legal Professional:

Whether you practice exclusively in one New England state or have a multi-jurisdictional practice, the LexisNexis® collection of publications has you covered. In the enclosed product listing and order form, you'll find legal resources for New England jurisdictions written, annotated and continuously refreshed and amended by attorney authors and editors.

CRITICAL RESOURCES FOR NEW ENGLAND ATTORNEYS

From official primary law resources to authoritative treatises and practice sets, you'll find the leading brands and authorities on federal and state law. These are the resources you can turn to again and again for thorough, up-to-date answers to questions of jurisdictional practice, whether in your state or a neighboring one.

- **Expanded Practice Guide Series**—The innovative task-oriented resources found in the *LexisNexis® Connecticut Practice Guide Series* and the *LexisNexis® Massachusetts Practice Guide Series* feature real-world guidance and hundreds of practice tips, plus timesaving forms and practice-tested matter management tools from leading state practitioners.
- **Official primary law content**—Only LexisNexis publishes the official *Massachusetts Official Reports*; *New Hampshire Reports*; *General Laws of Rhode Island*; *Vermont Statutes Annotated* and *Vermont Reports*. And LexisNexis is the only provider of the *Code of Maine Rules* in print. With the *Annotated Laws of Massachusetts*, you will gain access to the complete General Laws as annotated to the decisions of the Supreme Judicial Court, Appeals Court, Superior Courts, Attorney General and key executive agencies.
- **Comprehensive practice sets**—The *Massachusetts Legal Practice Library* offers 11 volumes on specific areas of Massachusetts law, written by leading authorities in their fields. The *New Hampshire Practice Series* remains the essential topical reference set for anyone practicing law in the Granite State.

FLAGSHIP AREA OF LAW RESOURCES

Of course, some areas of law are more closely governed by state law than others, and not all New England attorneys practice exclusively in one state. Accordingly, you'll find national resources at the LexisNexis® Store addressing top practice areas: treatises, practice guides and forms that support your work in banking, bankruptcy, corporate, energy, environmental, health care, employment, intellectual property, litigation and securities.

LARGEST COLLECTION OF LEGAL EBOOKS

LexisNexis eBooks can help you consult critical legal texts from anywhere at any time, 24/7. eBooks include active links, from citation references to statutes, cases, treatises and other materials at the Lexis Advance® service. When you purchase an eBook, you have immediate access after signing in to the Download Center and clicking the Read Now button. Access to LexisNexis eBooks is even more convenient when your organization subscribes to the LexisNexis® Digital Library. This library management solution allows for versatility, reduced cost and the ability to keep the door to your library always open.
