Dear Practitioner and Legal Professional:

Whether you practice exclusively in one southwestern state or have a multijurisdictional practice, the LexisNexis® collection of publications has you covered. In the following pages you'll find a product listing and order form for regional and jurisdiction-specific legal resources written, annotated and continually refreshed and amended by attorney authors and editors.

CRITICAL RESOURCES FOR SOUTHWESTERN ATTORNEYS

From primary law resources to authoritative treatises and jury instructions, you'll discover leading authorities on federal and state law. These are the resources you can turn to again and again for thorough, up-to-date answers to questions about jurisdictional practice, whether in your state or a neighboring one.

FLAGSHIP AREA OF LAW RESOURCES

Of course, some areas of law are more closely governed by state law than others, and not all attorneys practice exclusively in one state. Accordingly, you'll find national resources at the LexisNexis® Store addressing top practice areas: treatises, practice guides and forms that support your work in banking, bankruptcy, corporate, energy, environmental, health care, employment, intellectual property, litigation and securities.

LARGEST COLLECTION OF LEGAL EBOOKS

LexisNexis® eBooks can help you consult critical legal texts from anywhere at any time, 24/7. eBooks include active links, from citation references to statutes, cases, treatises and other materials at the Lexis+™ and Lexis® services.‡ When you order an eBook, you gain access after signing in to the Download Center and clicking the Read Now button. Access to LexisNexis eBooks is even more convenient when your organization subscribes to the LexisNexis® Digital Library. This library management solution allows for versatility, reduced cost and the ability to keep the door to your library always open.
