

# CSC® Legal Resources for Business Entities

CSC® provides comprehensive business transactional services to 90% of the Fortune 500® companies, and more than 10,000 law firms. Together, CSC and LexisNexis® are uniquely qualified to deliver quality statutory deskbooks across 24 jurisdictions.

These annotated titles are produced in a softbound format and include access to state business entity forms via an online download center. Titles are also available in eBook format for your eReader device and on the LexisNexis® Digital Library.

## You're in good company

- Litigation and transaction attorneys rely on these resources to stay up to date on the latest business laws and related case law.
- Corporate counsel and company executives consult their deskbooks while prepping for litigation, handling mergers and acquisitions, qualification, UCC matters, and more.
- Smaller firms appreciate the updated, affordable compilation of laws and easy access to fillable forms.

## Find it faster

- Use the Table of Sections Affected listing all statutes added or amended by recent legislation and Blackline Amendment Notes (in selected titles)—setting out the effect of those amendments—to quickly find statutory changes.
- Quickly locate the latest case notes with the Table of New Annotations and change bars.
- Consult the Fee Schedules for a quick snapshot of filing fees for different entities.
- Download the fillable forms for incorporation/formation, qualification, mergers, dissolution, and name reservation for all entity types.

## Gain insight from legal advisors

Readers also benefit from informed analysis from CSC legislative advisors. These are attorneys who practice in the state and provide highlights of noteworthy legislative changes appearing in the front of the books.

**Qualifying to Do Business in Another State:  
The CSC® 50-State Guide to Qualification**

Fulfilling qualification requirements can be a complex and time-consuming task. The consequences of making the wrong decision can be harsh, ranging from monetary penalties for a corporation to jail time for its officers and directors. To aid corporations in navigating these waters, CSC developed this comprehensive toolbox offering:

- Case illustrations and discussion of business activities that do or do not trigger qualification requirements
- Annotated qualification statutes for all 50 states and the District of Columbia
- Quick-reference charts

Downloadable forms are accessible via our online download center.

1 volume, softbound with downloadable, content, replaced annually, Pub. #25000  
Also available in eBook format.

**Cited by the Delaware courts  
Voss on Delaware Contract Law**  
*Bradley W. Voss*

This is an innovative resource for anyone who deals with high-stakes corporate and commercial agreements and the disputes that may arise from them. Citing more than 3,000 authorities spanning more than 100 years, **Voss on Delaware Contract Law** is an unprecedented review of the law that underpins the nation's predominant corporate and alternate entity laws, as well as the contract-related disputes frequently addressed in Delaware's renowned business courts.

Transactional attorneys and litigators alike will benefit from easy access to thousands of thoughtfully selected and organized quotations of cases, statutes, and rules, as well as harder-to-find court orders and transcripts.

3 volumes, loose-leaf, updated annually, Pub. #33751  
Also available in eBook format and on the Lexis+ service with active subscription.

**Symonds & O'Toole on Delaware  
Limited Liability Companies**  
SECOND EDITION

*Robert L. Symonds, Jr. and Matthew J. O'Toole*

This work was cited in a Delaware Court of Chancery decision as "the leading Delaware LLC treatise." The authors, both intimately involved in drafting the Delaware Limited Liability Company Act, draw on their extensive experience to bring you authoritative coverage of the complete lifecycle of a Delaware LLC. The work includes:

- Legal analysis and discussion of the statute and case law
- Practice recommendations
- Appendices containing the current Act, historical versions of the statute, legislative history, and relevant forms

1 volume, loose-leaf, Pub. #28378  
Also available in eBook format and on the Lexis+ service with active subscription.

**Egan on Entities: Corporations, Partnerships  
and Limited Liability Companies in Texas**  
THIRD EDITION

*Byron F. Egan*

This comprehensive treatise was developed to collect experiences in dealing with the formation, sale, and termination of entities, including fiduciary duties. Combining scholarly analysis with practical guidance on or for business entity law, **Egan on Entities** is an invaluable resource for corporate attorneys, business leaders, in-house counsel, small and larger law firms, and academic institutions. The work provides:

- Thorough treatment of business entity law for Texans working with business entities formed in Texas and in Delaware
- Coverage of problems at many levels, including failure of corporate governance
- An examination of a variety of complex transactions, with guidance that can be transferred to much of your work in this area

1 volume, hardbound, Pub. #32831  
Also available in eBook format and on the Lexis+ service with active subscription.
