### **2019 LexisNexis® Title Listing & Order Form**

Essential compliance, counseling and litigation resources for legal and corporate professionals.

**FOR MORE INFORMATION OR TO ORDER:**

Dear Legal, Labor, Employment or Human Resources Professional:

Rely on experienced labor and employment authors for practical information to help you better understand the often-turbulent workplace issues that create risk for employers and the legal challenges that employees face. For example, employment law professionals increasingly are called upon to advise clients on the legal and practical issues surrounding employees' social media use and the workplace rights of LGBTQ individuals.

If you're dealing with key social media employment issues including, among others, employee usage and restrictions, NLRA concerted activity considerations, or post-termination social media – account takedowns, consider *McGrady on Social Media Aspects of Employment Law* by Winston & Strawn partner Paul McGrady.

In *LGBTQ Employment Law Practice Guide*, experienced practitioners Donald C. Davis and John L. Litchfield provide cutting-edge guidance on a wide range of LGBTQ legal issues in the workplace.

With an exclusive focus on labor and employment law, the publications in this listing can help prepare you to handle a wide variety of labor and employment legal issues. Use this product listing and order form to review and complete your legal reference library.
