WHAT CUSTOMERS ARE SAYING ...

"I've literally never been retained to defend a libel case where the MLRC 50-State Survey wasn't my first reference and where I didn't learn something new that proved important to our defense."

—Lee Levine,
Partner, Ballard Spahr LLP (retired), and
Founder, Levine Sullivan Koch & Schulz LLP

"As in-house counsel, I find the MLRC's Media Libel Law to be incredibly valuable. Gannett has properties in 34 states, so almost every day we need to know about the defamation laws in different jurisdictions. This book is always the first place I go to get those answers. It's well organized, covers all the bases and gives me all the citations I need to stop our potential adversaries in their tracks."

—Barbara Wall,
Member, Board of Directors,
and former Chief Legal Officer and COO, Gannett Co.
