LexisNexis is the only provider of annotated court rules in New York.

LexisNexis® New York Court Rules Annotated

Rules of court governing trial procedure in New York have increasingly become more critical in recent years as the courts use the rules to alter court procedure rather than seeking changes through the legislature. *LexisNexis® New York Court Rules Annotated* is organized to accommodate quick reference whether you're in the office or courtroom. The rules are fully annotated, providing practitioners key insights into how courts will apply and interpret the procedural dictates.

Volume 1 Trial and Appellate Court Rules includes the rules most used by trial practitioners, such as the Uniform Rules for the New York State Trial Courts and the rules of the appellate divisions of the Supreme Court. **Volumes 2 and 3 Court Administration and Practice Rules** include the rules regulating the practice of law, including Standards and Administrative Policies and the Rules of Professional Conduct.

Federal Sector Equal Employment Opportunity Practice Guide

Benjamin E. Wick, Holly V. Franson

This practice guide provides a uniquely balanced perspective for both complainants (federal employees) and employers (various federal agencies). Coverage includes differences between federal and private sector discrimination complaints, information on how federal sector EEO complaint processing differs from the private sector and, when applicable, where the law applied to federal sector cases diverges from private sector cases. Understanding the differences between state and federal complaints is critical for federal practitioners in helping craft the right argument. Strategic advice is provided for complainants and agencies litigating EEO complaints, including developing evidence in support of claims, as well as how to take steps in advance to prevail in litigation.

This publication provides practical day-to-day guidance including fact sheets, practice tips, considerations, warnings, examples and sample forms.

LexisNexis® Practice Guide: New York e-Discovery and Evidence

Kyle C. Bisceglie

This *Guide* takes the body of law emerging under case law, the provisions of CPLR Article 31 and the Federal Rules of Civil Procedure, and translates them into concise, practical guidance by looking at e-discovery and electronically stored information (ESI) through the eyes of New York attorneys. It focuses on the New York law and the law applied by federal courts in New York that impact the discovery and use of ESI as evidence as well as:

- Describes the creation, storage and production of ESI
- Explores how to identify and manage the volume of ESI that may be relevant to a particular lawsuit
- Suggests how to deal with the dynamic information stored in metadata
- Discusses the need to avoid spoliation and retrieve, restore or translate the material before it is produced
- Examines issues regarding relevance and privilege
- Evaluates the unique obligation of the parties to “meet and confer” on the plan for discovery of ESI, especially with respect to ethical considerations, litigation strategy and managing the cost of producing ESI
- Explains how to use ESI at trial

Capturing the latest trends in case and statutory law and serving as the exhaustive source to begin or complete research on New York civil practice, this title continues to provide the most recent insight for the following:

- Statewide Practice Rules of the Appellate Division adopted by the four Judicial Departments of the Appellate Division, which took effect on September 17, 2018
- Continuing implementation of electronic filing in the Appellate Division that commenced on March 1, 2018

This indispensable guide to New York civil practice also includes the following:

- Organization emphasizes the most current legal developments and de-emphasizes old law
- Procedural Context paragraphs describe each CPLR section's interrelationship with other statutes and the New York court rules, cross-refer to related CPLR sections, and explain significant recent amendments
- Timetable for New York Civil Practice
- A Reference Appendix in each chapter

Medina's Bostwick Practice Manual

Contains over 4,200 New York general civil practice forms for every major area of law. The set is divided into five major parts:

- Civil Practice Law and Rules (CPLR)
- Civil Litigation
- Surrogate's Court Practice
- Appellate Practice
- Forms of Instruments

The first three sections are litigation-related areas that include sample complaints, answers, affidavits, notices of motion, petitions, orders and more. The Appellate Practice section provides the requisite forms to bring a successful appeal to the New York Appellate Division or Court of Appeals. The Forms of Instruments section provides numerous transactional forms that a civil practice attorney is likely to use, from an attorney retainer agreement to a lease, deed, will or trust.
