International Copyright Law and Practice

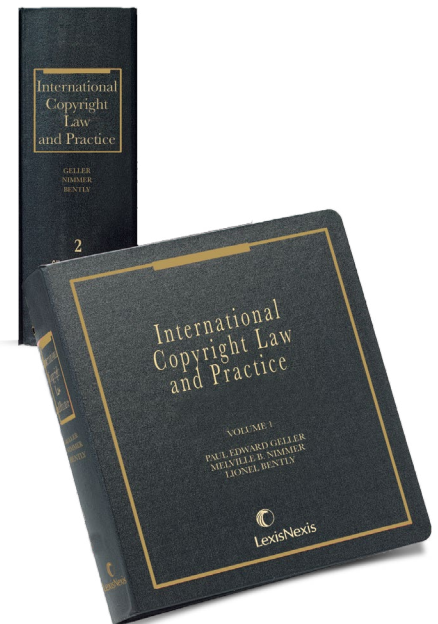

Paul Edward Gellar, Original General Editor; Melville B. Nimmer, Original General Editor; Lionel Bently, General Editor

This annually updated treatise integrates the global analysis of international copyright with in-depth chapters on national laws. In his framework chapter, retired General Editor Paul Edward Gellar explains how, systematically, to analyze the protection of copyright and related rights in cross-border cases. He discusses conflicts of laws, domestic and treaty grounds for protection, the scope of international protection and chain of title worldwide. Another framework chapter explains how European law conditions the exploitation of copyright and related rights, throughout the European Union.

To facilitate research, these chapters follow a common outline treating the following issues:

- Criteria and categories of protected works; special cases: Little's designs software
- Other protected matters: performances, recordings, databases, integrated circuits
- Initial holders of rights: rules governing transfers: special contractual provisions
- Procedures for registration establishing royalty rates administering claims
- Rules applicable to foreigners' claims and to foreign works and media productions
- Terms, types and scopes of moral and economic rights criteria of infringement
- Exceptions: legal licenses: civil, criminal and administrative remedies

PATENT LAW

*The leading publication recognized
as the authority on U.S. patent law*

A Matthew Bender® Elite Product

Chisum on Patents

Donald S. Chisum

Written by the leading expert on patent law, and frequently cited by courts in all jurisdictions including the U.S. Supreme Court, this masterwork gives you authoritative analysis of all issues pertaining to patent law—including doctrines, rules and case law relating to patentability, validity and infringement. Whether you're applying for a patent, appealing a patent application denial or litigating patent infringement *Chisum on Patents* puts authority on your side.

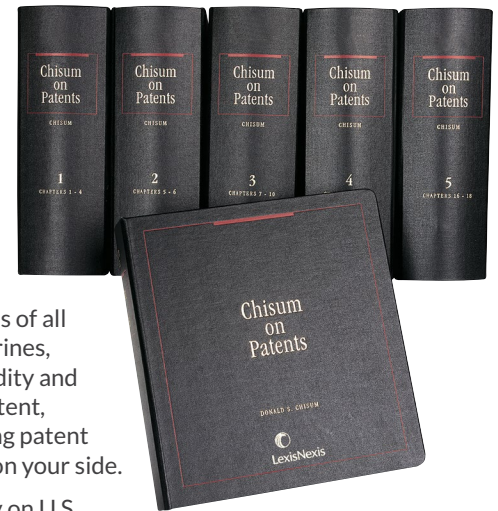

Chisum on Patents is recognized as the authority on U.S. patent law because it covers all aspects of patent law and related issues. It is the most cited treatise in patent law today—cited more than 1,000 times by the U.S. federal courts and twice as much as the nearest competitor since it was released in October 1978. This treatise covers questions on every topic in patent law:

- What constitutes a patentable invention
- Fundamental requirements of patentability—originality, novelty, utility and nonobviousness
- Perfecting rights to a patentable invention
- Rules regarding disclosure and submitting claims
- Double patenting
- Rules in priority of invention
- Patent application process—from filing through examination and appeals
- Restriction requirements and divisional applications
- Continuation applications
- Requirements for obtaining the benefit of a prior patent filing in a foreign country
- Applications for reissue
- Substantive aspects of infringement

Draft patent claims quickly and confidently with over 300 pages of guidance on how best to draft patent claims—including a detailed explanation of patent claim interpretation. What's more, it provides abstracts of all published decisions of the Court of Appeals for the Federal Circuit in a topically arranged outline. Your annual subscription includes:

- Five comprehensive updates that provide expert analysis on the substantive law of patents in the U.S. patentability, validity, infringement, application procedure and perfecting rights to an invention
- Federal Circuit Guide containing abstracts of all published decisions of the Court of Appeals for the Federal Circuit
- Clarifying analysis of the most recent Supreme Court decisions
- Detailed examination of all significant precedents, case law statutes and international treaties, with discussions of individual cases

Patent Law Digest

Donald Chisum

Replaced annually, *Patent Law Digest* functions in part to supplement with recent cases the 25th Anniversary Edition and to supplement the Federal Circuit Guide and Supreme Court Guide, which appear as volumes at the end of the flagship treatise, *Chisum on Patents*. It also covers the 2011 American Invents Act (AIA). References to the AIA are added, as pertinent, at the beginning of sections for the abstracts. On the ever-important evolving case law, this 2017 Edition includes:

- All Supreme Court decisions and en banc Federal Circuit decisions from 1982 to the end of 2016
- Federal Circuit panel decisions rendered in 2014, 2015, and 2016

There's no easier way to track case and authority and legal trends relating to U.S. patent law and procedure.

PRODUCT TERMS

S Service Titles • Price includes product and any supplementation, release, replacement volume, new edition and/or updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable. Renewal options include:

S/A Service Title with Automatic Renewal • If you select this option your subscription will be automatically renewed without any action on your part. Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. Estimated renewal cost is noted on the price list or can be obtained through your LexisNexis sales representative.

S/N Service Title with Notification • Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. If you fail to act, your subscription will be cancelled.

NS Non-Service Titles • Price includes product only, plus any updates published within 30 days of purchase or as otherwise indicated. Subscription options include:

NS/A Non-Service Title with Automatic Shipment • If you select this option you will receive and be billed for updates outside of the 30-day period without any action on your part. Estimated upkeep cost or prior-year cost is noted on the price list or can be obtained through your LexisNexis sales representative.

NS/N Non-Service Title with Notification • Notification that an update has been published, and the price of the update, will be sent to you. If you fail to act, you will not receive the update.

Cancellation: All eBook and CD/DVD sales are final and not returnable. Customers may not cancel a current subscription to eBooks, but may cancel after the end of the current subscription period. CD-ROM/DVD pricing is for single user only. Call 800.223.1940 for details, ordering and contract. For complete terms and conditions related to your print subscription, go to lexisnexis.com/USterms.

You may cancel any subscription at any time by emailing SubscriptionSpecialist@lexisnexis.com; calling Customer Support at 800.833.9844; or by returning an invoice or notification marked "CANCEL." Shipments may be returned within 30 days of receipt, at your expense, for full credit of the advertised price, less shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and you return the product at your expense, you will receive a 5/6th credit of the price for the annual subscription. No credit will be given more than 60 days after the invoice date.

If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment. No credit will be given more than 60 days after the invoice date.

PROMOTIONAL TERMS

Prices listed on the LexisNexis® Store and the accompanying price list/order form are before shipping and tax are calculated; shipped to a U.S. address only. Prices current as of 1/1/2018. Prices subject to change without notice.

Certain products, including Matthew Bender® Elite products, are not discounted when purchased, even with an advertised promotion/offer. Discounts may be available to customers who subscribe to both online and print publications, subject to your employer's policies. Ask your account representative or call 800.223.1940 for details. Any additional discounting is contingent on maintaining all of your subscriptions and accounts with LexisNexis and its affiliates; if any such existing business is cancelled by you, LexisNexis may modify such prices to reduce or eliminate any discounts. Sales to federal government customers may be subject to specific contract pricing and not discounted additionally. Booksellers and distributors/resellers are excluded from any promotion offerings. Other restrictions may apply. Void where prohibited.
