Dear Professional:

If you work in a financial institution, you probably recognize the name LexisNexis® Sheshunoff®. With a portfolio of more than 100 how-to publications for banking and credit union professionals, Sheshunoff® has a long history of delivering quality compliance resources designed to keep your institution compliant, competitive and profitable.

In today's financial landscape effectively managing risk has never been more important. New products, regulatory changes, evolving competitive environment and market conditions are just some of the factors that can impact risk assessments. Sheshunoff offers resources that help you: evaluate risks, weigh risks against rewards, make decisions based on these evaluations, and satisfy regulators.

The Sheshunoff collection is written by some of the most respected industry veterans and leaders in the field. Expert insight, analyses, and timesaving workflow tools—sample policies, procedures, risk assessments, checklists and other workflow tools—are a hallmark of the collection.

While maintaining regulatory compliance continues to put pressure on your staff and budget, we recognize the host of other risks requiring constant vigilance, such as:

- Cybersecurity
- Defending against money laundering and fraud
- Auditing and maintaining strong internal controls
- Keeping up with BSA reporting requirements
- Training and educating staff on operational changes such as Same Day ACH

We encourage you to take a moment to review the latest Sheshunoff Banking Compliance catalog for details on specific resources—available in print, eBook or as exclusive online content through the Lexis Advance® service.

# AUDITING

## Internal Audit Procedures Handbook

Gary M. Deutsch

Develop, maintain and improve internal control procedures with this comprehensive resource. Focusing on the basics, this handbook delivers detailed programs to ensure preparedness and provide management and the board with the types of assurances that the regulators expect.

- **Establish a program:** Sell the benefits of an effective auditing program to employees, management and directors.
- **Staff guidelines:** Find the right people for an audit department and learn how to assign duties to ensure that the audit is properly executed.
- **Checklists:** Access easy-to-follow checklists for eight primary areas subject to audit.
- **Sample documents:** Find planning memos, charters, questionnaires and more.
- **Procedures:** Detailed internal audit procedures for most areas of the bank are included.

**S** PRINT • 2 volumes, loose-leaf with downloadable forms, updated twice per year, Pub. #04768, ISBN 9780769878256  
eBOOK • eISBN 9780769879673

## Internal Auditor Alert

David Buzzell

*Internal Auditor Alert* offers comprehensive coverage of internal auditing, including regulatory, finance and accounting issues, as well as information technology and information security audit areas. This monthly newsletter includes in-depth analyses and coverage of internal auditing issues, hands-on guidance and tools, and much more.

**S** PRINT • Newsletter, 12 issues per year, Pub. #04771, ISBN 9780769878287  
eBOOK • eISBN 9780769879703

## Internal Audit Programs

These audit checklists cover all areas of compliance, including accounts and payment systems; BSA/anti-money laundering; credit, lending and leasing; finance and accounting; human resources, information privacy and security; mortgage lending; and governance.

**NS** eBOOK • Includes downloadable forms, updated 3 times per year, Pub. #04912, ISBN 9781630441135

## IT Auditing for Financial Institutions

Gary M. Deutsch

This book offers a practical approach to maintaining adequate systems of internal control from all perspectives. It will assist in customization of an IT audit and internal controls to fit an institution's own needs while preparing for the next IT audit. The manual is written by a seasoned professional who offers practical suggestions for addressing important areas, samples of a risk assessment model, an audit work program, an ICQ, an RFP and much more.

**S** PRINT • 2 volumes, loose-leaf with downloadable forms, updated twice per year, Pub. #04772, ISBN 9780769878294  
eBOOK • eISBN 9780769879710

# BANK SECRECY ACT

## BSA Bank Secrecy Act and Anti-Money Laundering Service

Lorraine Hyde

Step-by-step compliance guidance, specifically addressing BSA and AML, including checklists for maintaining good internal controls, examples of typical money-laundering schemes, sample BSA and OFAC policies, and sample training materials. In addition, this publication provides FinCEN e-filing forms, BSA compliance exams, customer due diligence guidelines and procedures, high-risk accounts in international banking and wire transfer requirements.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04710, ISBN 9780769877679  
eBOOK • eISBN 9780769879093

## BSA Officer Training Program

Joy B. Boone

The Bank Secrecy Act has never been a bigger concern to regulators and remains a minefield for financial institutions. One of the fundamental requirements of the Bank Secrecy Act is the designation of a BSA officer. The BSA officer is responsible for administering your institution's anti-money laundering program and ensuring that your staff knows what their responsibilities are. The *BSA Officer Training Program* provides self-paced training that gives your BSA officer the information and skills needed to perform this critical function.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated 3 times per year, Pub. #04722, ISBN 9780769877792  
eBOOK • eISBN 9780769879215

## BSA/AML Update

Kurt Mattson

This newsletter provides you with the most current BSA/AML information twice a month, covering regulatory changes and hot court cases.

**S** PRINT • Newsletter, 24 issues per year, Pub. #04725, ISBN 9780769877822  
eBOOK • eISBN 9780769879246

## Guide to Anti-Money Laundering and BSA Compliance

Jeffrey R. Torp

This *Guide* provides a straightforward discussion of the laws and regulations from the USA PATRIOT Act, which the federal government and financial agencies have enacted and continue to use, update and clarify. The guide identifies high-risk areas, products and transactions to help you determine specific activities on which to focus, and includes regulatory summaries, highlighted high-risk areas, restrictions and detailed checklists of key requirements.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04760, ISBN 9780769878171  
eBOOK • eISBN 9780769879598

## BSA Officers Administration Handbook

Lorraine Hyde

Providing the tools necessary to fortify an institution's BSA/AML (Bank Secrecy Act/Anti-Money Laundering) program, this comprehensive *Handbook* includes explanations of regulatory requirements, sample policies and procedures, checklists and training outlines for the staff of each department or operational area of a financial institution.

**S** PRINT • 1 volume, loose-leaf, updated twice per year, Pub. #04723, ISBN 9780769877808  
eBOOK • eISBN 9780769879222

## BSA/Anti-Money Laundering: Internal Audit and Risk Management

Lorraine Hyde

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04727, ISBN 9780769877846  
eBOOK • eISBN 9780769879604

# CORE COMPLIANCE

## Bank Regulatory Compliance Alert

Lorraine Hyde

The Sheshunoff *Bank Regulatory Compliance Alert* was developed so all banks have the guidance needed in an accessible, affordable format. Each month, the report covers all the latest compliance issues. Articles tell you what's happening and what you need to do to stay in compliance. This newsletter is every bank's best tool for keeping up with and understanding the implications when compliance issues change. It's written specifically for bank compliance officers in a fast-reading format that delivers the information you really need, so you stay focused on what's important to you, and get the information you need without being overwhelmed by all the information that's out there.

**S** PRINT • Newsletter, 12 issues per year, Pub. #04708, ISBN 9780769877655  
eBOOK • eISBN 9780769879079

## Compliance Monitoring Program for National Banks

Jeffrey R. Torp

Tailored to the OCC's requirements, this manual provides clear compliance guidance, including coverage of all the consumer regulations, outlining the regulation's purpose, requirements, exemptions and liabilities for noncompliance. Offering detailed coverage of compliance responsibilities by function, compliance checklists, audit procedures, training guidelines, checklists, and sample forms and reports, this manual is an essential resource for compliance officers.

**S** PRINT • 2 volumes, loose-leaf with downloadable forms, updated twice per year, Pub. #04744, ISBN 9780769878010  
eBOOK • eISBN 9780769879437

## Compliance Monitoring Program for State Non-Member Banks

Jeffrey R. Torp

Tailored to the FDIC's requirements, this manual provides clear compliance guidance, including coverage of all the consumer regulations, outlining the regulation's purpose, requirements, exemptions and liabilities for noncompliance. Offering detailed coverage of compliance responsibilities by function, compliance checklists, audit procedures, training guidelines, checklists, and sample forms and reports, this manual is an essential resource for compliance officers.

**S** PRINT • 2 volumes, loose-leaf with downloadable forms, updated twice per year, Pub. #04745, ISBN 9780769878027  
eBOOK • eISBN 9780769879444

## Compliance Officer's Management Manual

Joy B. Boone

Keeping up with ongoing compliance changes and ensuring your programs remain effective can leave you little time for anything else. Plus, you need to be sure that every employee knows what to do to help the bank stay in compliance. This comprehensive resource provides clear and easy-to-follow compliance guidance, detailed coverage of each regulation and its purpose, requirements, exemptions and liabilities for noncompliance; compliance responsibilities by function; compliance checklists; audit procedures; training guidelines; and sample forms and reports. It's an essential resource for compliance officers.

**S** PRINT • 2 volumes, loose-leaf with downloadable forms, updated twice per year, Pub. #04746, ISBN 9780769878034  
eBOOK • eISBN 9780769879451

## Pratt's™ Regulatory Compliance Guide for Bankers

Robert E. Braun

Written by industry veteran Robert E. Braun, the guide delivers analysis for each consumer regulation in its entirety, including summaries and the effect of that regulation on different functions within a financial institution, and provides practical application for operations, procedures, compliance, disclosures, notices, marketing, advertising and record retention.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04796, ISBN 9780769878539  
eBOOK • eISBN 9780769879956

## Regulatory Compliance Training Program

Joy B. Boone

Regulators are looking for evidence that your bank puts a premium on compliance. They want to know that your compliance officer's skills are up to date with the latest compliance demands. With the *Regulatory Compliance Training Program*, show the regulators, and others, that your bank and your compliance officer meet the serious, demanding challenges of compliance.

**S** PRINT • 1 volume, loose-leaf, updated twice per year, Pub. #04798, ISBN 9780769878614  
eBOOK • eISBN 9780769880037

## Bank Marketing and Advertising Regulatory Compliance Service

Robert E. Braun

This manual helps you with marketing requirements, no matter how often the rules change. Each product has its own tabbed section, with all the rules and regulations that impact that product clearly outlined. Every consumer product a bank can offer is included, so you're never without answers on the requirements needed for your marketing efforts.

**S** PRINT • 2 volumes, loose-leaf with downloadable version, updated twice per year, Pub. #04704, ISBN 9780769877617  
eBOOK • eISBN 9780769879031

## Compliance Examinations Update for Financial Institutions

James H. Pannabecker

*Compliance Examinations Update* reports on institutions' liabilities for noncompliance, makes you aware of the consequences and specifies what it takes to put the bank back in compliance. Each article is presented as a case study covering an important compliance issue.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated monthly, Pub. #04739, ISBN 9780769877969  
eBOOK • eISBN 9780769879383

## Core Compliance—Compliance Tools

The following publications cover policies, procedures, checklists, ICQs, risk matrices and work papers—all the tools needed to support the compliance officer's daily workflow.

### Self-Assessment and Regulatory Compliance Review

Jeffrey R. Torp

*Self-Assessment and Regulatory Compliance Review* is more than a compliance manual. It contains additional elements that, in addition to the manual, provide useful tools for maintaining compliance. These tools include:

- A risk-based operational checklist for each regulation
- A risk-assessment matrix to assist you in identifying your level of compliance risk
- A calendar of regulatory events

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04844, ISBN 9780769886152  
eBOOK • eISBN 9780769886169

## Risk-Based Compliance Audit Program: Risk Assessment Checklists and Related Requirements

The regulators expect you to be able to identify and rate the areas in which you have risk exposure. This helpful manual consists of individual checklists with risk ratings—organized by specific products and services—for conducting compliance reviews for federal consumer laws and regulations, including security, privacy, electronic banking, disclosures and insurance roles. The manual provides:

- Compliance checklists organized by individual products and services
- A risk assessment matrix to help you easily access and record your institution's specific level of risk for the various compliance requirements, as they become effective
- The assessments to allow you to assign a risk rating, thus prioritizing your institution's needs and maximizing your resources
- A compliance calendar that gives you a quick reference for changing requirements

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04804, ISBN 9780769878676  
eBOOK • eISBN 9780769880099

## Bank Internal Audit: A Working Guide to Regulatory Compliance

Lorraine Hyde

This practical resource shows how to ensure policies and procedures are being followed and accomplishing what they were intended to. From credit risk to integrated financial software systems, the manual covers it all, including:

- Basics such as organizing the internal audit function and developing the audit scope
- Clear guidelines to use for your own internal audit
- Sample procedures for every key area of the bank
- Checklists
- Examples of documentation
- Periodic updates

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04702, ISBN 9780769877594  
eBOOK • eISBN 9780769879017

## Bank Policies: A Working Guide to Regulatory Compliance

Lorraine Hyde

This is your blueprint for developing and implementing policies and procedures mandated by the regulators. Guidelines and sample materials help save hours of time and help ensure that your bank has effective, proven policies that have been implemented by banks just like yours.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04706, ISBN 9780769877631  
eBOOK • eISBN 9780769879055

## Policies and Procedures

Joy B. Boone

These policies and procedures cover all areas of compliance, including accounts and payment systems; BSA/anti-money laundering; credit, lending and leasing; finance and accounting; human resources, information privacy and security; mortgage lending; and governance.

**NS** eBOOK • Includes downloadable forms, updated 3 times per year, Pub. #04914, eISBN 9781630441166

## Bank Policies, Procedures, and Internal Audit Set

Includes downloadable forms from *Bank Internal Audit*, *Bank Policies*, and *Bank Procedures*.

**S** CD-ROM • Single user, Pub. #04850, ISBN 9780769886275

## Bank Procedures: A Working Guide to Regulatory Compliance

Lorraine Hyde

This practical, how-to guide will lead you through every step of the procedures development and review processes. Use the proven guidelines and sample materials and save hours of time, while ensuring that your bank has tested, effective procedures. Discussions, procedures and checklists are arranged in the following categories:

- Executive Group
- Lending
- Treasury/Finance
- Operations
- Data Processing

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04707, ISBN 9780769877648  
eBOOK • eISBN 978076987906

## Bank Internal Control Manual

Charles LeGrand

From credit risk to integrated financial software systems, the manual contains sample internal controls tools for every key area of the financial institution: checklists, examples of documentation and clear guidelines you can use for internal control checklists for your own operation. Topics such as credit scoring processes and automated clearing house activities are also areas of risk focus.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated annually, Pub #04703, ISBN 9780769877600  
eBOOK • eISBN 9780769879024

# EXECUTIVE MANAGEMENT

## Community Bank Management

Edmond E. Pace

Managing a bank requires senior management knowledge of most functions. Most managers have expertise in one or two specific areas, but need a place to turn for guidance and tools when it comes to other areas. This three-volume manual provides complete coverage to bridge this gap.

Designed to be the key feature in a community bank library, and readily used to obtain answers to the hundreds of questions that arise daily in a community bank, each volume covers a specific functional area in a clear, easy-to-understand style.

**Volume 1: Administration and Board Management.** Information regarding management and administration policies with topics such as bank organization, operating cost controls, human resource management.

**Volume 2: Investments and Loan Portfolio Management.** Addressing the earning assets management side of the bank, this volume includes commercial, real estate, and consumer lending, problem loan management, grading loans and investment strategies.

**Volume 3: Risk Management and Bank Compliance.** Information and tools you need to understand risk management, loss prevention, and compliance requirements; and protect your bank—from model systems and programs to prevention measures and contingency planning.

**S** PRINT • 3 volumes, loose-leaf with downloadable forms, updated 4 times per year, Pub. #04737, ISBN 9780769877945  
eBOOK • eISBN 9780769879369

## Bank CEOs Operating and Management Desk Reference

Edmond E. Pace

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated 3 times per year, Pub. #04700, ISBN 9780769877570  
eBOOK • eISBN 9780769878997

## Bank Operations and Administration Desk Reference

Edmond E. Pace

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated 4 times per year, Pub. #04705, ISBN 9780769877624  
eBOOK • eISBN 9780769879048

## Community Bank Human Resources Management

Edmond E. Pace

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04735, ISBN 9780769877921  
eBOOK • eISBN 9780769879345

## Implementing Dodd-Frank Consumer Financial Protection Provisions

James H. Pannabecker

The Consumer Financial Protection Bureau has unprecedented power, and you can expect ongoing new and changing regulations. The Dodd-Frank Wall Street Reform and Consumer Protection Act is complex, but *Implementing Dodd-Frank Consumer Financial Protection Provisions* breaks it down for financial institutions.

This resource provides:

- Expert guidance and analysis from our eminent author, James Pannabecker, who breaks down the complexities of this historic bill
- Executive Summaries that spotlight key issues, “take-aways” and talking points
- Quick-reference tables of regulations and regulatory actions, including deadlines and reference cites to manual and regulations
- Alerts that keep you informed of changes as they occur

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated 3 times per year, Pub. #04865, ISBN 9780769885858  
eBOOK • eISBN 9780769889016

## FRONTLINE

## Model Teller/CSR Training Manual with Trainer's Guide

Dena Somers

This *Training Manual* focuses on how your bank can train your tellers and customer service representatives to meet the demands of today's banking industry—dealing effectively with customers, performing job responsibilities efficiently, and following bank policies, while projecting and maintaining a professional image for the bank.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated annually, Pub. #04780, ISBN 9780769878379  
eBOOK • eISBN 9780769879796

## Bank Teller & CSR Report

J. Scott Gupton, Jamie McAdaragh

This monthly newsletter is written specifically for bank tellers and CSRs, for keeping up to speed with the changing rules and skills needed to better serve customers and help the bank stay in compliance.

**S** PRINT • Newsletter, 12 issues per year, Pub. #04713, ISBN 9780769877709

# LENDING

## Loan Policies Manual

Dena Somers

This is your comprehensive credit policy manual for all lending activities throughout your organization. The manual focuses on reducing risk and gives you sample lending policies that will satisfy your regulators. By identifying weaknesses and controlling risky underwriting practices, you can avoid undue attention during on-site examinations. Even if you already have lending policies in place, this guide is useful to make sure everything is complete.

The *Manual* covers:

- General lending standards
- Consumer lending
- Residential mortgage lending
- Commercial real estate and construction lending
- Non-real estate business lending
- Specialized lending and credit extensions
- Customer verification and authentication requirements
- Workout credits and problem assets
- Risk assessment and management
- Processing loans over the internet
- Applicable laws and regulations

Sample policies make it easy for you to customize documents and distribute them to loan officers.

**S** PRINT • 1 volume, loose-leaf, updated twice per year, Pub. #04775, ISBN 9780769878324

eBOOK • eISBN 9780769879741

## Community Bank Loan Management

Edmond E. Pace

This set of manuals is an encyclopedia of lending, designed to be a central loan library for everyone involved in lending. It covers lending from A to Z—and includes allowance for loan losses; workouts; consumer, real estate and commercial lending; lending with financial statements and lending when the financial statements are meaningless; loan documentation procedures; loan grading systems; and more. Materials include:

- An entire section on how to manage, control and collect the bank's problem loans
- Clearly written and easy-to-use chapters that explain exactly how the various loan departments of a bank should function
- Step-by-step approach showing how to improve loan documentation procedures, keep track of exceptions and put together loan approval packages
- Detailed, extremely practical loan grading system
- Help in avoiding compliance mistakes
- Numerous examples, samples of documents, and key explanations that make even the most complex topics understandable
- Timely, periodic updates that keep the manuals current and make it easier to keep up with all the latest products, methods and regulations

**S** PRINT • 2 volumes, loose-leaf with downloadable version, updated 4 times per year, Pub. #04736, ISBN 9780769877938

eBOOK • eISBN 9780769879352

## Senior Loan Officers Desk Reference

Edmond E. Pace

This detailed desk reference will help you establish a loan officer's duties, and provides detailed descriptions on how to perform every aspect of this complex job. A must-have for loan officers, this valuable resource answers the many questions that arise daily.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated 4 times per year, Pub. #04810, ISBN 9780769878737

eBOOK • eISBN 9780769880150

## Self-Paced Loan Documentation Training

Dena Somers

Get up to speed on the latest rules, techniques and methods for making safer, better-documented loans and keeping the lending area in compliance, so you have less exposure with the examiners and in court. Training includes:

- Documentation for the most common types of secured loans, including real estate, pledge agreements and security agreements
- Basics, such as elements of a loan for beginners
- More complex agreements, such as contracts involving other parties, that veteran loan officers may need to brush up on
- End-of-chapter reviews and self-tests that help reinforce the information covered in each chapter
- Examples to illustrate complex issues

**S** PRINT • 2 volumes, loose-leaf with downloadable version, updated twice per year, Pub. #04808, ISBN 9780769878713

eBOOK • eISBN 9780769880136

---

# MORTGAGE LENDING

## Credit Managers Risk Mitigation

Gary M. Deutsch

From credit planning to appraisals to documentation, this manual guides you through the credit process with clear guidelines you can use for your operation. The principles, practices and techniques discussed in this manual are based on tried-and-true methods institutions have used in modern times to protect against losses while meeting regulatory and accounting requirements. Helpful tools, such as sample documents and checklists are included.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04836, ISBN 9780769885995

eBOOK • eISBN 9780769886008

## Guidance for Estimating the ALLL Requirements and Procedures

Gary M. Deutsch

*Guidance for Estimating the ALLL* offers tested methods to protect against losses while meeting regulatory and accounting requirements, and each chapter covers a specific and important part of the important ALLL estimation procedures and methodologies that are needed to ensure compliance with GAAP and regulatory guidance.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04839, ISBN 9780769886053

eBOOK • eISBN 9780769886060

## One-to-Four-Family Loan Documentation Charts for Banks

Lorraine Hyde

This collection of charts is designed to help banks decipher all the complex disclosure requirements for loans secured by one-to-four-family real estate.

**NS** eBOOK • Pub. #04913, eISBN 9781630441142

## Mortgage Lending Operations and Administration

James H. Pannabecker

In-depth coverage of mortgage lending operations and administration, addressing key issues, such as resolving problem loan situations, pricing loans and managing risks, and includes practical guidance, forms, checklists and sample policies.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04782, ISBN 9780769878393

eBOOK • eISBN 9780769879819

## Pratt's™ Mortgage Compliance Letter

David Stemler

Offering the latest news involving the wide array of statutes and regulations crucial to mortgage lending, *Pratt's™ Mortgage Compliance Letter* is a monthly report on the latest supervisory enforcement actions and issuances affecting mortgage bankers, cases and regulatory developments.

**S** PRINT • Newsletter, 12 issues per year, Pub. #04794, ISBN 9780769878515

eBOOK • eISBN 9780769879932

## Mortgage Lenders Model Compliance Manual: Policies, Forms, and Checklists

James H. Pannabecker

Regulations continue to change and evolve in the aftermath of Dodd-Frank and the establishment of the CFPB, making it more important than ever to ensure a residential mortgage lending staff understands and complies with these new and changing state and federal regulations.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated annually, Pub. #04863, ISBN 9780769886268

eBOOK • eISBN 9780769888996

# PAYMENT SYSTEMS

## Automated Clearing House Transactions Compliance: Operations, Compliance and Audit

Margaret L. Simmons

Offers step-by-step guidance for operating ACH transactions efficiently and in full compliance with the Operating Rules of the National Automated Clearing House Association, Regulation E, Regulation CC and UCC Article 4A. The manual includes:

- The basics of the ACH network and the different types of ACH transactions
- Guidance to originating depository financial institutions (ODFIs) and to receiving depository financial institutions (RDFIs) for complying with the ACH Rules
- Explanation of the obligations and responsibilities of originators, ACH operators and third-party service providers
- Guidance to help institutions comply with the relevant regulations and explain what the potential liabilities can be for noncompliance
- Explanation of the major areas of risk and what you can do to help minimize your exposure
- Guidance on performing a self-audit Sample policies, checklists and reference materials

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04697, ISBN 9780769877549

eBOOK • eISBN 9780769878966

## Compliance Guide to Payment Systems: Law and Regulation

Barkley Clark, Barbara Clark, Mark Hargrave

Written specifically for bankers, this essential publication provides practical guidance to all types of payment systems, including: money/currency, bank checks, mobile banking, NACHA rules, Credit CARD Act, disclosure requirements, high-to-low debit posting, unfair, deceptive or abusive acts and practices, credit union share drafts, remittance instruments, documentary drafts, letters of credit, credit cards, ATMs, wire transfers, ACH networks, smart cards, internet transactions and home banking.

## RISK

### Risk Assessments for Financial Institutions: Checklists • Forms • Matrices

Gary M. Deutsch

A best-selling compilation of tools, this manual is a trusted resource that can help evaluate risks, weigh risks against rewards and make decisions based on these documented, risk-based evaluations.

Included are checklists, work papers, matrices, calendars and charts that you can use to identify risks and rate risks based on specific rating systems in the following areas: BSA/AML/OFAC, Information Security, Information Technology, Business Continuity, Electronic Banking, Compliance, Audit, Lending, and Finance and Accounting.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated 3 times per year, Pub. #04799, ISBN 9780769878621  
eBOOK • eISBN 9780769880044

### Practices and Procedures for Financial Institution Risk Management

Gary M. Deutsch

This handbook covers the most critical areas on which regulators focus in examinations, including more than 100 examples of specific risks, drawn from each of the major risk areas, and includes suggested remedies.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated twice per year, Pub. #04788, ISBN 9780769878454  
eBOOK • eISBN 9780769879871

### Bank Safety and Soundness Regulatory Service

Jeffrey R. Torp

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated annually, Pub. #04707, ISBN 9780769877648  
eBOOK • eISBN 9780769879062

## SECURITY

### Bank Security Desk Reference

Richard J. Errico, Jeff M. Spivey

With over 900 pages of authoritative security-related guidance, this is a comprehensive guide for financial institutions of all sizes. It will help those charged with the security function stay abreast of emerging crime trends, while providing an array of practical remedies to mitigate risk.

Coverage is divided into four sections: laws and regulations risks both traditional and electronic; best practices to mitigate the risks; and investigative techniques and requirements for reporting suspicious and criminal activities.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated twice per year, Pub. #04711, ISBN 9780769877686  
eBOOK • eISBN 9780769879109

### Cybersecurity Resilience Planning Handbook

Geoffrey H. Wold

This invaluable *Handbook* offers practical tools and expert guidance for assessing and monitoring vulnerabilities to cyberattack. It provides a step-by-step guide for developing a cybersecurity plan that complies with legal obligations and satisfies regulatory and statutory requirements. It can be used as a cybersecurity “best practices” guide because it provides a wider perspective on cybersecurity in general for a better understanding of how to reduce and manage the risks. A detailed cybersecurity implementation plan is included to make the planning process both effective and efficient.

eBOOK • eISBN 9781522115489

## Information Security for Financial Institutions: Operations, Technology, and Compliance

Geoffrey H. Wold

This manual takes you step by step through the security planning process. It will help you identify areas of risk, deflect threats, build more secure systems, and continuously monitor and improve security. Forms, diagrams, charts, glossary, risk assessment worksheets and other tools help streamline the planning process. Content is organized by the six phases of security planning: risk assessment, protective controls, detective controls, technology management, response management and compliance management.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated annually, Pub. #04767, ISBN 9780769878249

eBOOK • eISBN 9780769879666

## Pratt's™ Bank Security Report

Gary M. Deutsch

This monthly newsletter covers a wide range of issues and provides timely and practical security strategies written specifically for financial institutions. In addition, *Bank Security Report* offers substantive analysis from an insider's perspective. Regular areas of coverage include:

- Security issues relating to e-banking and e-commerce, including aggregation, digital signatures, encryption, system access control and biometrics
- Bank Secrecy Act and anti-money laundering regulations
- Check security/check fraud
- ACH fraud risk
- Counterfeit currency
- Privacy issues, including identity theft and pretext calling

**S** PRINT • Newsletter, 12 issues per year, Pub. #04712, ISBN 9780769877693

PDF • eISBN 9780769879116

## IT Security Management Manual

Geoffrey H. Wold

This popular *Manual* has been published for almost a decade, and reflects the factors influencing technology security in financial institutions within those years, and the increased focus on risk management. Cloud computing, virtualization, consumerization and mobile access are a few of the important areas covered in the *Manual*.

**S** PRINT • 1 volume, loose-leaf with downloadable forms, updated annually, Pub. #04773, ISBN 9780769878300

# TRUST

## Trust Department Management Manual

Michael J. Craw

This essential guide provides the “nuts and bolts” tools needed for managing an efficient, compliant, and profitable trust operation. Clear guidelines and step-by-step explanations demonstrate how to achieve a trust department's strategic objectives using proven management techniques and methods. Sixteen comprehensive chapters cover identifying new customers to implementing investment strategies, including:

- Where to find new markets and how to reach them
- How to evaluate new products for profit potential before committing resources
- Where technology and automation can really save time, money and risk
- How to offer new services without legal and regulatory risk
- The support obligations to effectively run a trust department

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated annually, Pub. #04826, ISBN 9780769878898

eBOOK • eISBN 9780769880310

## Trust Department Policies and Procedures Manual

Michael J. Craw

This resource provides comprehensive policies and procedures for the Trust Department. The experts provide proven tools for the six major areas of trust department management: strategic planning, business development, administration, investments, ethical standards and mutual fund retail sales. This is an invaluable resource for those updating or establishing policies and procedures.

**NS** PRINT • 2 volumes, loose-leaf with downloadable version, updated annually, Pub. #04827, ISBN 9780769878904

eBOOK • eISBN 9780769880327

## Trust Services Audit Manual

Michael J. Craw

All aspects of audit programs for the trust services department are covered: minimum requirements for internal and external audit programs, identification of board and management responsibilities, establishing and implementing a range of audit programs, executing internal audit programs, performing risk assessments and risk-based audits, and ensuring independence and competence.

**S** PRINT • 1 volume, loose-leaf with downloadable version, updated annually, Pub. #04828, ISBN 9780769878911

eBOOK • eISBN 9780769880334

## PRODUCT TERMS

**S Service Titles** • Price includes product and any supplementation, release, replacement volume, new edition and/or updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable. Renewal options include:

**S/A Service Title with Automatic Renewal** • If you select this option your subscription will be automatically renewed without any action on your part. Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. Estimated update frequency is shown with the description of each title.

**S/N Service Title with Notification** • Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. If you fail to act, your subscription will be cancelled.

**NS Non-Service Titles** • Price includes product only, plus any updates published within 30 days of purchase or as otherwise indicated. Subscription options include:

**NS/A Non-Service Title with Automatic Shipment** • If you select this option you will receive and be billed for prior year updates outside of the 30-day period without any action on your part. Estimated upkeep frequency is shown with the description of each title.

**NS/N Non-Service Title with Notification** • Notification that an update has been published, and the price of the update, will be sent to you. If you fail to act, you will not receive the update.

**Cancellation:** All eBook and CD/DVD sales are final and not returnable. Customers may not cancel a current subscription to eBooks, but may cancel after the end of the current subscription period. CD-ROM/DVD pricing is for single user only. Call 800.223.1940 for details, ordering and contract. For complete terms and conditions related to your print subscription, go to [lexisnexis.com/US/terms](http://lexisnexis.com/US/terms).

You may cancel any subscription at any time by emailing [SubscriptionSpecialist@lexisnexis.com](mailto:SubscriptionSpecialist@lexisnexis.com); calling Customer Support at 800.833.9844; or by returning an invoice or notification marked "CANCEL." Shipments may be returned within 30 days of receipt, at your expense, for full credit of the advertised price, less shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and you return the product at your expense, you will receive a 5/6th credit of the price for the annual subscription. No credit will be given more than 60 days after the invoice date.

If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment. No credit will be given more than 60 days after the invoice date.

## PROMOTIONAL TERMS

Prices are current as of 5/23/2017. Prices on the accompanying price list and on the LexisNexis® Store do not reflect sales tax, shipping and handling. Prices subject to change without notice. Prices are before shipping and tax are calculated; shipped to a U.S. address only.

Certain products, including Sheshunoff and Matthew Bender® Elite products, are not discounted when purchased, even with an advertised promotion/offer. Discounts may be available to customers who subscribe to both online and print publications, subject to your employer's policies. Ask your account representative or call 800.223.1940 for details. Any additional discounting is contingent on maintaining all of your subscriptions and accounts with LexisNexis and its affiliates; if any such existing business is cancelled by you, LexisNexis may modify such prices to reduce or eliminate any discounts. Sales to federal government customers may be subject to specific contract pricing and not discounted additionally. Other restrictions may apply. Void where prohibited.
