

# HARD-WON EXPERIENCE DESERVES HARD DATA

Accurately assessing a case is critical to you, your firm or organization and your client. Strategize smarter with the industry's most powerful combination of analytical tools and deep legal content.

ANALYTICAL TOOLS

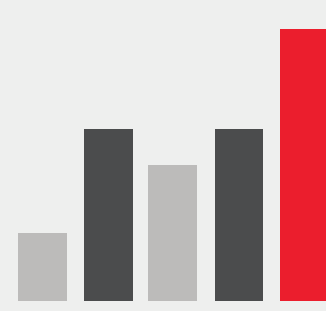

DEEP LEGAL CONTENT

## ANALYTICAL TOOLS

Quickly analyze similar verdicts and settlements with analytical and visualization tools that graphically depict and dynamically adjust big data.

### graphical REPORTS

- ✓ Charts & graphs
  - Easily change variables by year, resolution and average, and/or median awards.
  - **Point and click** on chart data to view relevant information or select new variables.
- ✓ PDF graphic reports with research summary cover page
  - Great for discovery, case development and client communications.

### ADVANCED SEARCH AND FILTERING

- ✓ **ONE SEARCH:** collects, organizes and analyzes similar case outcomes
- ✓ Post-search filters including:
  - Award range
  - Settlement
  - Resolution—plaintiff or defense verdict
  - Highest award
- ✓ Highly relevant:
  - View case excerpts with search terms highlighted.
