Find out how your current provider *really* stacks up.

LexisNexis®

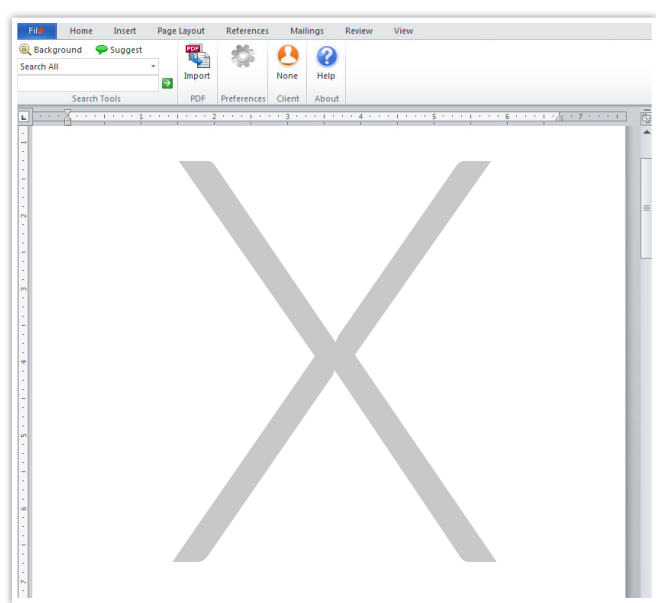

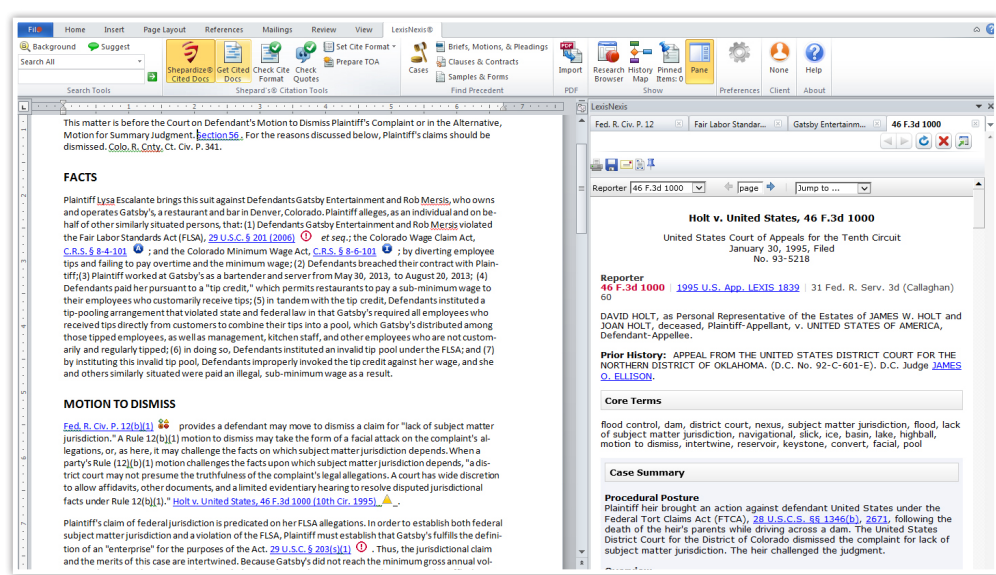

The Other Guys

Drafted and done—without leaving Lexis for Microsoft® Word

- ✔ LexisNexis is the only legal research provider who has partnered with Microsoft to develop a faster way for you to complete research and drafting without leaving your favorite drafting software.

VS.

- ✘ Want to do legal research without leaving your drafting tools with your current provider? No luck. You'll be opening and closing multiple tabs across programs—increasing the time you spend drafting.

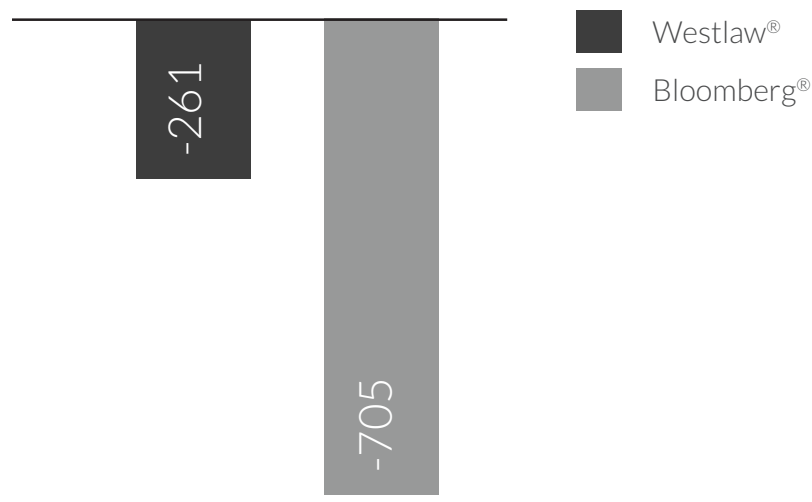

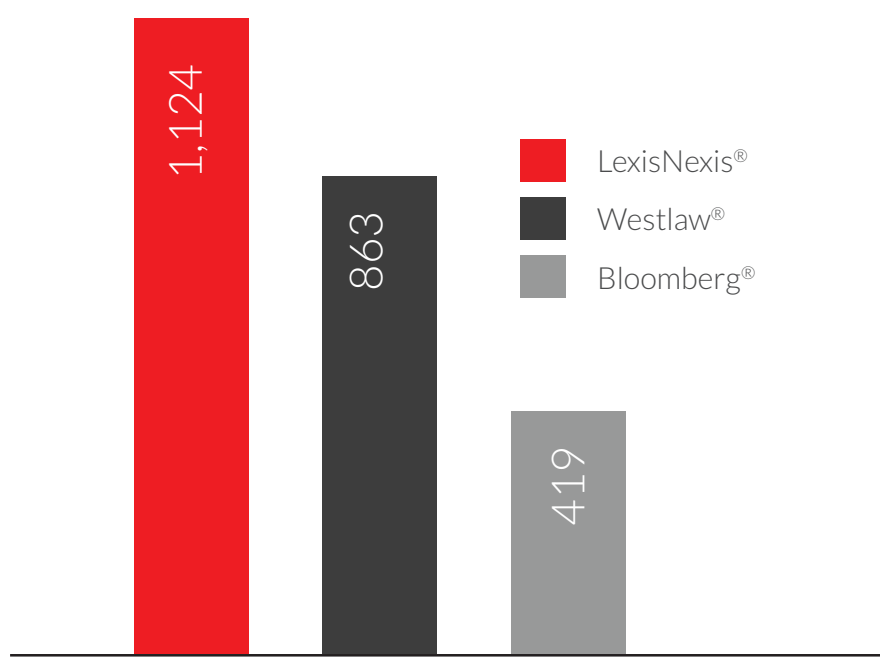

The motherlode of Court dockets

- ✔ LexisNexis® CourtLink® offers full-docket coverage of 1,124 state courts.

VS.

- ✘ Look for state court docket coverage on Westlaw® and you'll miss a lot—coverage of 261 courts. Try Bloomberg® and you'll fall 705 courts short.†

CourtLink offers full-docket coverage of 1,124 state courts. Westlaw only offers docket coverage of 863 state courts. Bloomberg only offers full-docket coverage of 419 state courts.

The Master of Good Law

- ✔ Be confident you're getting the full spectrum of editorial analysis by using Shepard's® Citations Service—the leading citator for over 140 years.

VS.

- ✘ Those who use KeyCite® see only negative and neutral analysis.
