KNOW YOUR OPPONENT

Attorney Analytics

Anticipate how opposing counsel will argue their case and use it to strengthen your own argument.

- Understand opposing counsel's experience in particular practice areas and jurisdictions.
- Discover how opposing counsel has handled similar cases in the past and how their litigation strategy played out.
- Neutralize your opponent's arguments with insight into their previous arguments.

IDENTIFY STRONG EXPERTS

Expert Witness Analytics

Persuade your judge to admit your expert's testimony or impeach your opposition's expert.

- View "scorecards" to assess potential experts' credentials and track records at a granular level.
- Pinpoint why your judge admitted or excluded an expert's testimony, and how often.
- Find the precise language and reasoning your judge used to weigh the Daubert challenge.
