KNOW WHY AN EXPERT WAS CHALLENGED

Select credible expert witnesses who have a history of standing up in court from more than 375,000+ testimonial reports. Once you've identified an expert, the exclusive technology behind Context delivers comprehensive expert witness information you won't find anywhere else, including:

- Where your expert has testified, when they've been challenged and specific reasons why a court treated their testimony positively or negatively
- How often the expert's testimony was excluded or discounted and why, such as methodology, relevance and more
- Jurisdictions and practice areas where your expert testifies and other must-knows, including all CVs Lexis has available
- Language and cases you need to prepare—language that can persuade your judge to admit your expert's testimony or impeach your opposition's expert
- Deep background, without additional searching—all available Lexis documents from your subscription about your expert witness are compiled for you under the Documents tab

Overall Challenges Outcome Analysis (15)

72% Positive, 28% Negative, 0% Unknown

Context detects a **positive** court analysis of an expert when the language of the court admits an expert's testimony, or weights it heavily. It detects a **negative** court analysis of expert when the language of the court excludes or discounts the expert's testimony.
