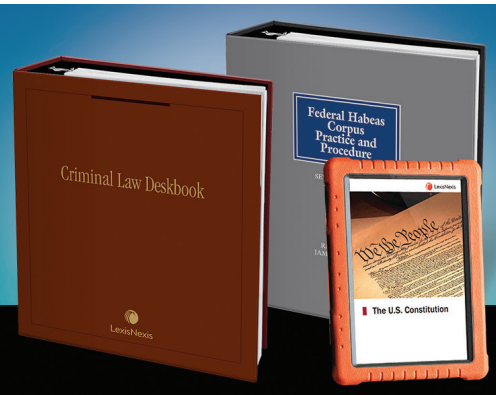
LexisNexis®

Access to Courts Starts with LexisNexis®

Compliant • Customizable • Secure



LexisNexis® inmate law library solutions help facilities comply with state mandates and provide incarcerated patrons with a thorough, secure and compliant library.

Your secure choices for online and offline options to meet today's correctional needs.

Custom Interface (CI) solution (online)

- Timely content, tailored tools
  - Built-in, multilayered security
  - Lexis® search and navigation features
  - Easy-to-navigate CI for incarcerated patrons
  - Automatic updates
- Access/monitoring
  - No IDs or passwords—all access is restricted by a specific IP address that meets security requirements.
  - Restricted searching and hyperlinking—CI connects to LexisNexis content and documents only.
  - All external links have been removed from the sources—email or "mail-to" links, pop-ups and other outside web linking are excluded.
  - 24/7 monitoring—LexisNexis engineers watch all sites for unusual activity.

External Hard Drive (EHD) solution (offline)

- **Convenient**—Turn to a true plug-and-play solution you can hold in your hand.
- **100% offline**—Run and update without an internet connection.
- **Cost-effective and efficient**—Save space and keep costs far below the expense of a full print library.
- **Easy to use and up to date**—Count on searchable materials, updated at least quarterly.
- **Downloadable without IT support**—Connect to your network or computer via a USB 2.0/3.0 port.
