

LexisNexis® Digital Solutions

EASY eBOOK READING IN YOUR BROWSER

When you use the latest OverDrive Read[®] eReader features, LexisNexis[®] eBooks look and feel more like printed books and deliver functionality that only the digital world can offer, such as Lexis Advance[®] hyperlinks and electronic annotation. Plus, you can read eBooks right in your browser—no added software required.*

Take advantage of in-browser reading

1. INTUITIVE NAVIGATION GIVES YOU REAL CONVENIENCE.

See your reading progress at a glance with the easy-to-use menu and seek bar. Drag the slider to navigate through the book, then select the small dot on the seek bar to return to your last position.

2. QUICKLY FIND WHAT YOU NEED.

Intuitive features and the menu design make navigation easy.

- Menu icon brings up your list of options that display on the left.
- Clicking the title of the book provides an overview or summary of your book usage and book content.
- C Search icon allows you to search within the book.
- Print a part of the eBook.
- Table of Contents gives you fast access to key eBook sections.
- Use Bookmarks to quickly access your highlights, annotations and bookmarks.

3. MAKE THESE TOOLS A VITAL PART OF YOUR RESEARCH.

For LexisNexis[®] Digital Library users, the History and Notes page allows users quick access to important annotations—view, filter and print—even when the book is checked out by another user.

If you have questions, please contact your LexisNexis Digital Library account specialist or customer support line:

877.516.8256 (M - F, 8 a.m. - 8 p.m. ET)

- G History makes a record of where you go in your eBook—when you search, choose a chapter, use the seek bar or tap a link.
- Reading Settings enables you to adjust or choose font and size of type.
- Tips & Secrets shows you how to take keyboard shortcuts and gives useful pointers like clearing all notes/bookmarks.
