

LexisNexis® State and Local Government Legal Research and Analytics Solutions Guide

A IN UNIVERSITY

Lead the way to better outcomes for your citizenry.

III PERMIT

State and local matters

Every day, you bring your personal best to serve the public, earn their trust and oversee and improve the administration of justice.

Changing times and emerging issues mean you need fast and precise access to reliable and timely legal content and information to help inform your decisions, motions and actions.

<u>LexisNexis[®] state and local government legal research and analytics solutions</u> deliver greater confidence, efficiency and value. We help legal professionals uphold the rule of law and deliver the best-possible outcomes for their citizenry and community.

Upholding the rule of law

The rule of law is the foundation for the development of peaceful, equitable and prosperous societies. LexisNexis is committed to actively advancing the rule of law through its daily operations, products and services, and the efforts of its people, as well as in collaboration with customers and key stakeholders.

The <u>LexisNexis Rule of Law Foundation</u> enables leading global entities to support and implement projects that address one or more of the four rule of law components: equal treatment under the law, transparency of the law, access to legal remedy and independent judiciaries.

Make an impact where it counts.

LexisNexis solutions empower you to address and respond to critical issues around democracy, community protection, social and economic growth, environmental sustainability, technology and innovation.

To better support your legal and transactional work for civil and criminal matters, LexisNexis legal research and analytics solutions deliver more relevant content, robust news, smarter analysis and greater work productivity.

From checklists to research, case management to analysis and insight, topic alerts to practice area knowledge—you gain the most current, comprehensive and comparative research and resources available anywhere.

In short, we help empower you to uphold the rule of law in your jurisdiction for a more resilient, thriving community and brighter future.

LexisNexis supports equality for all under the law, transparency of law, an independent judiciary and accessible legal remedy. Our 10,000 people work to advance that mission every day, to build a culture of inclusion, fairness and mutual respect.

Empowering top legal minds serving the public

From paralegal to attorney general, student to judge, district attorney to city attorney—LexisNexis delivers the <u>legal research and analytics solutions</u> government legal professionals need to succeed.

Attorneys General

As the leader of your state's justice department, legal professionals count on you to be in the know on regulations, litigation and legal news. LexisNexis solutions deliver a comprehensive and diverse set of resources to help your staff conduct thorough, efficient research. You gain a vast collection of primary content and treatises, news and public records, plus powerful litigation monitoring tools. Connect legal teams working remotely as you protect and serve the people in your state.

Judges and Courtroom Professionals

Keeping a bustling court system humming is a challenge—every year the caseloads grow, while the available hours shrink. Whether you're providing procedural advice, juggling a pile of cases, assisting judges or tackling another legal task, LexisNexis solutions help you gather the full detail of the law to make these jobs more manageable. Enhanced research capabilities, intuitive form drafting tools and breaking news alerts provide powerful resources for whatever trial or appellate court you're working in.

District Attorneys and Prosecutors

You are accountable for seeing that justice is truly served in a highly public and often politicized position. You face intense scrutiny while balancing public safety, reducing recidivism and promoting rehabilitation and justice reform. LexisNexis solutions can help you save time and prevent costly mistakes throughout the discovery and litigation process by providing you the facts with respect to cases, defendants and victims. Trusted checklists, forms and practical guidance help you avoid potentially damaging missteps.

Municipal Attorneys

You handle and advise on myriad legal matters. To advise your city and county colleagues and handle a workload involving civil and criminal issues, count on LexisNexis solutions. Gain insight and increase efficiency for municipal proceedings and transactions with comprehensive legal content including cases and codes, the industry's leading citator, the largest collection of public records, productivity tools, and optional practical guidance on zoning and planning, real estate and construction, labor relations, taxation and more.

Public Defenders

Your work as a public defender is vitally important—and time is of the essence. Strengthen your unique position and cut through potential prosecutor bias using research-informed arguments. Quickly find comprehensive legal information and insight to inform your position with cases and codes, legislative history, the industry's leading citator, law reviews and more. Increase research capacity and gain an upper hand using advanced productivity tools and a vast collection of public records.

Investigators

Every investigation is widely different, and each needs to be executed quickly and accurately. LexisNexis solutions provide comprehensive and current information and data to help you connect the dots and juggle changing priorities. Access public records, analyze content and share information at a rapid pace and research a variety of specialty topics. Conduct extensive background research on individuals and organizations, locate elusive assets, find witnesses, set up surveillances, quickly perform tasks and make informed decisions.

Law Librarians

Your patrons count on you to deliver the most up-to-date resources possible. Accelerate their research using powerful and intuitive search capabilities and navigate millions of documents to surface the insights and data legal professionals need. LexisNexis® Patron Access provides legal research that's not available through the bar association or local public library. Affordable packages allow you to choose exactly which content best fits your budget and the needs of your area's legal professionals.

Tribal Law Attorneys

As attorneys and legal advisors for Native American tribes, you provide legal guidance in a complex, changing social and political environment. LexisNexis helps tribes apply due diligence against companies as sovereign nations and can benefit from LexisNexis legal research and analytics solutions. Exclusive and comprehensive case law and legal documents including tribal cases and Native American titles help ensure better outcomes for Native Americans and their communities.
