Powerful tax research tools in a convenient new layout

Search, refine, analyze and share the most relevant results faster. Make the most of familiar source-selection options, as well as new, simple-to-use tools that accelerate your research path.

Research the way you want. Pick your page on Lexis Advance Tax (Federal, State or U.S. International) and make it your home page. Every page was designed for you—by tax practitioners for tax practitioners—using source-selection options.

Know if it's still good law with the industry gold standard—Shepard's. Shepard's Citations Service is exclusive to LexisNexis, offering you complete coverage of U.S. and state court cases, statutes, regulations, and IRC and IRS sources, plus decisions from state departments of revenue and other tax authorities.

Cut through the clutter for faster, relevant results

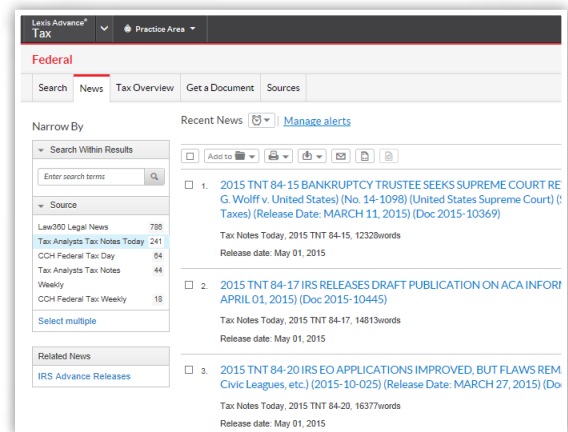

- **See the best relevant text with every search hit.** Each search hit includes the “best paragraph” from the source, i.e., the text that best captures your search terms.
- **Get the latest news—no searching.** Each subpage has its own customizable, **dedicated news page** for quick access to tax news (federal, state or international) from the past week. Click and go!
- **Move directly to the right subsection.** Enter a subsection—e.g., IRC §168(a)(3)(C)(5)—and move directly to the text of that subsection
- **Never lose your place in lengthy codes or Treasury regulations.** Let your cursor hover and immediately a pop-up screen identifies your exact location, e.g., IRC §168(d)(3)(B).

Accomplish more, faster—without leaving Lexis Advance Tax

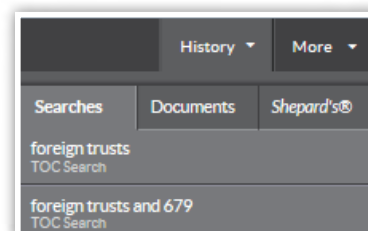

- **Save your work online** to Lexis Advance Folders*. Save effective searches, highlighted and annotated text, complete documents and more. Even share and work with colleagues. Work syncs automatically.
- **Pick up where you left off—pronto!** Go to your History, and your Tax searches are saved and clearly labeled. So are sent email, documents retrieved and more. Even compare searches automatically to find additional documents.
- **Be among the first to know** about news affecting a Code section. Set up an Alert for the section and get updates to your inbox.

Begin your research faster—in fewer steps. Select the home page that meets your needs.

Each dedicated news page provides quick updates from today's editions and the past week, plus convenient filters for narrowing your news search.

Easily find your research history for reference, and save time in planning your next search.

Predictable, fixed-fee pricing ... no meter is running

Focus on getting to the best answers. You won't incur added cost. Lexis Advance Tax provides predictable, fixed-fee pricing that covers everything displayed—all of the nearly 1,400 sources and no transactional fees.

- **Simplify and better forecast budgets and client cost.**
Count on using all available content for one fixed price per user. You incur no added search charges, document access charges or document delivery charges.
- **Get use of top, premium sources,** including Law360® Tax Authority, Matthew Bender treatises, *Shepard's Citations Service* and more.
- **No "outside of plan" mistakes.** New associates or interns cannot incur additional charges since sources outside your Lexis Advance Tax subscription do not display.
