Massachusetts Codes, Legislation & Agency Materials

STATE AND LOCAL SOURCES ESSENTIAL TO THE MASSACHUSETTS ATTORNEY

Understand local laws. LexisNexis offers 20 sets of municipal codes from Massachusetts. Westlaw offers no Massachusetts municipal codes. Municipal codes are critical for managing issues in zoning, easements, construction, local environmental concerns and many other areas governed by local laws.

Count on timely statutory alerts. The LexisNexis services provide current changes to statutes through the Advance Legislative Service. Our exclusive Shepard’s® statute reports provide pending legislation alerts.

Get agency rulings. LexisNexis offers exclusive access to Public Utility Reports (PUR) synopses and headnotes. PUR has become the “gold standard” for corporate counsel, transactional attorneys, litigators and other regulatory specialists who practice in the areas of energy, utilities or telecommunications law.
