

USING SHEPARD'S ALERT® ON LEXIS ADVANCE®

Is it still good law? Let the changes come to you.

You know new legal opinions can impact the cases you want to cite. If a case has hundreds or even thousands of citing references, you can spend many hours comparing documents to find subsequent decisions, additional citing references or adjustments to editorial treatments that could impact whether you want to cite a case.

Or, with the *Shepard's Alert*® feature on Lexis Advance®, you can have those changes delivered to you. This helps you save valuable time, be more productive and proceed with the confidence that comes with using the industry-leading *Shepard's*® Citations Service.

Create your Shepard's Alert

Using a simple online form, you can set up your *Shepard's Alert* to:

- Stay current on the most recent citations to your case
- Monitor citations for the type of change you want to know about
- Set an update schedule that suits your schedule

A. Click the Alert symbol (bell) to open the Create *Shepard's Alert* form.

You can find this symbol:

- At the top of your search results list
- At the top of a displayed *Shepard's* report

C. Indicate duration and frequency.

Choose delivery options to meet your needs.

The screenshot shows the 'Deliver' configuration tab for 'Shepard's Alert'. It includes sections for Duration (Start and End dates), Frequency (radio buttons for Daily, Business daily, Weekly, Monthly; a time selector set to 1:00 p.m.), Delivery type (radio buttons for Online only, Email + Online), Email address (input field with placeholder 'first.last@emailaddress.com'), Email Notification (radio buttons for 'Send a notification only when a change occurs' and 'Send a notification every time the Shepard's Alert is run, even if no change occurs.'), and Delivery format (radio buttons for HTML and Text). A 'Terms & Conditions' link is at the bottom.

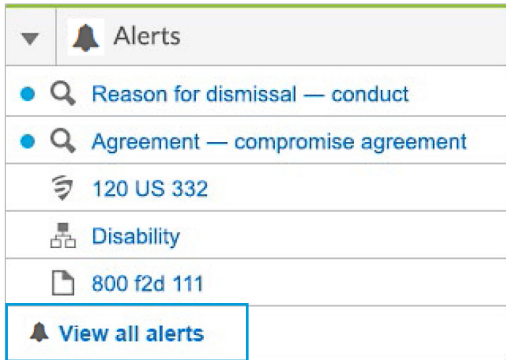

D. Enter sharing information, if desired, and click Create Alert.

Enter sharing information to set up your *Shepard's Alert* for email delivery.

The screenshot shows the 'Share' configuration tab for 'Shepard's Alert'. It features a text input field with the instruction 'Enter a user's name (using the format of last name, first name), or enter the user's email address.' and an 'Add to share' button. Below this is an 'Added Contacts' section with the text 'Currently not sharing'. A 'Note' section has a text area and a character count of '1,000 characters remaining'. At the bottom, there is a 'Terms & Conditions' link, a blue 'Create Alert' button, and a grey 'Cancel' button.

E. View and change existing *Shepard's Alert* searches.

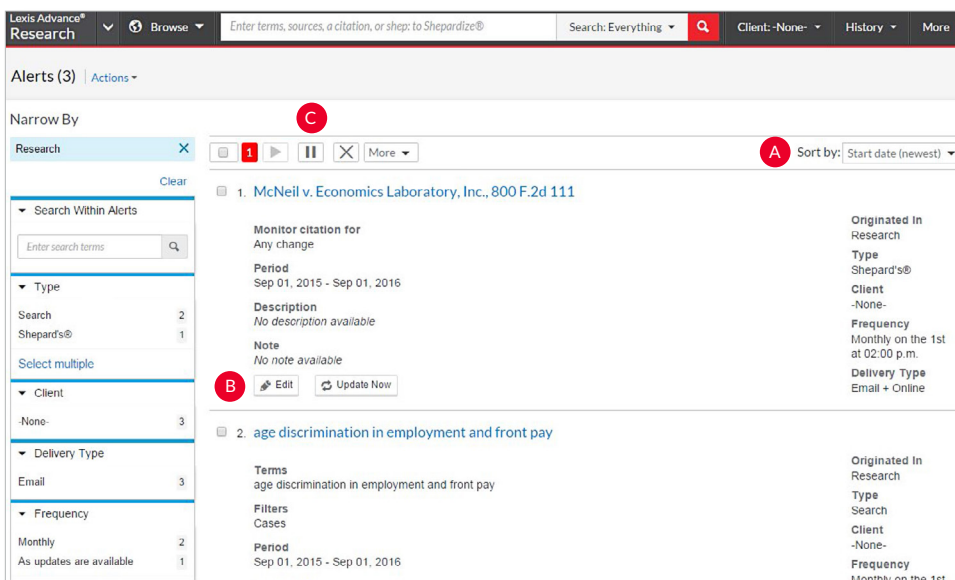

When you view alerts and notifications on your home page, a blue dot means that item has new information. You can click **View all alerts** to review and change your ongoing *Shepard's Alert* searches.

After you click **View all alerts**, you will see options for each alert.

For example, you can:

- A** Sort your results
- B** Edit *Shepard's Alert* search settings
- C** Pause any or all of your *Shepard's Alert* searches, then resume updates when you want to receive them again.
