

These top 10 Lexis Advance® features offer major benefits

The features you select at the Lexis Advance® service work the way you expect—simple to use with powerful results. Use these popular top 10 features and see how you can cover more ground faster and easier.

1

The Red Search Box that does so much for you!

So flexible! Search across all available content—without selecting sources. Or retrieve the source(s) you want to search. Retrieve source documents with one click. Get full-text documents you need using the citation, popular law name or case name. *Shepardize*® a citation. Search with plain English—or use the terms and connectors you're comfortable with.

2

Filters that uncover just the facts you need

Select jurisdictions, content categories or practice areas before you search and save browsing time. Or start broadly and filter search results to save time on the back end. Point, click and narrow by time frame, topic, parties, etc. Even save and re-use the filter combinations you use most.

3

Shepard's® Citations Service

Spot issues *immediately* as you view the new *Shepard's* summary on your full-text case. Then click into the *Shepard's* report—and the flexible features that help you reveal the true legal value of your authority. Sort citing decisions by analysis, headnote, depth of discussion, etc. Quickly isolate negative or positive treatment—or splits of authority. Use the exclusive Grid View to uncover patterns of analysis by court or by date, and explore the Appellate History Map to quickly visualize the relationships in the case history.

4

Flexible Alert options that keep you updated without being overwhelmed

One Alert can compile the latest across all content categories. Or set up a publication Alert and get updates without a search query. And setup is just what you expect: set delivery times and days, even real-time updates. If you track bills, set up a Legislative Alert. Set *Shepard's Alert*® notifications to update you on negative changes, etc.

5

Online Folders that increase your effectiveness

Save what's important to you in online Folders—documents, text, even search results and effective searches. Annotate documents and highlight text before saving. Plus you're notified automatically if folder documents have changed. Just click and update—at no extra charge for subscription documents.

6

History that compiles and can further your research

Resume past research without missing a beat. Your searches, search terms, documents, *Shepard's* reports, email sends and other activities are automatically saved in your History for up to 90 days. Review history as a list or get a graphical map view where you can compare search results and find more, similar documents.

7

Predictable pricing that eliminates search charges

No per-search costs, no hourly costs—no worries about accidental document charges. Even printing and *Shepardizing*[™] are included with each subscription document. Out-of-plan documents are out of reach. You can't access them—or get charged—without taking active steps.

8

Browse Topics that point you to legal topic resources

Find a legal topic and related documents easily. Pick a practice area and search. Or browse through the hierarchy. Choose a topic, and you can do so much: retrieve relevant documents, add it to your search, get Alert updates and review relevant Topic Summaries.

9

Legal Topic Summaries that compile leading authority for you

Come up to speed on a legal topic—no searching! Topic Summaries compile seminal cases and other defining authority, plus outline topic elements, standards of review, burden of proof, etc. Available in many U.S. cases and 17 jurisdictions,¹ find Topic summary icons in full-text cases and with case headnotes.

10

Mobile access that doesn't require an app or special setup

You choose the mobile device—smartphone, tablet or laptop. And Lexis Advance screens automatically adapt to fit it. Or choose apps specific to Apple[®] iPhone[®] or Apple iPad[®] devices.
