

Lexis Practice Advisor®

EXPLORE NEW NAVIGATION OPTIONS FROM LEXIS PRACTICE ADVISOR®

The Lexis Practice Advisor® service is redefining your practical guidance experience by enhancing the depth of practice area content and introducing a new look and navigation options to put you in control of how you find information. To see what's different, check out this convenient side-by-side comparison.

THE DIFFERENCES START AT THE HOME PAGE

Choose the practice area you'd like to search or browse.

Lexis Practice Advisor puts you in control of how you like to search. Explore Practical Guidance expands your navigation options beyond navigating by practice area. You can now choose from the following tabs:

1. Practice Area
2. Content Type
3. Jurisdiction

NAVIGATE BY PRACTICE AREA

Then, the Browse Content results screen offers browsable post-search filters that provide updated results on the fly as filters are selected.

NAVIGATE BY CONTENT TYPE

BEFORE

After you select a subtopic, the results page provides a content box at top left.

You can see the number of documents available for each content type. Click on the content type you want to see.

Your results display all the documents for the content type you selected.

AFTER

Now you can focus on the Content Type you'd like right from the start.

You now have the option to view all forms (and other content types) or specify the practice area and jurisdiction.

As you browse results, you have the option to drill down even more by choosing new filters on the left under Narrow By and you'll immediately see updated results.

NAVIGATE BY JURISDICTION

BEFORE

Lexis Practice Advisor® Practice Areas Search all practice areas

Labor & Employment Actions Home

Topics

- Jurisdictional Considerations
 - State Charts and Surveys
