

Nexis® for Development Professionals Search Tip

Charitable Giving Database

You can uncover donations within a specific year, for a specific company name or individual name.

Search instructions:

1. Select **Individual** Tab
2. In the **Additional Terms** Box type:
Donation-year="2012" and donor ("XXXX"),
where you choose the year and the name of
a company or individual. If using individual
name, please use the "w/2" between the
first and last name. An example search
would look like this:

Donation-year=2012 and donor(john w/2
doe)
3. Press **Submit** and your search results will
be displayed.
