Hidden Assets Found

78 Billion Public Records & Counting

It's hard to hide from the far-reaching power of LexisNexis® smart-search technology and our unrivaled collection of public records. Take the case of one defendant in Colorado who tried to hide his collection of classic cars and other fancy toys under an old girlfriend's name in Florida. All it took was one savvy litigator who searched LexisNexis to connect the dots across 78+ BILLION public records and find the defendant's hidden assets. Look anywhere else and you just might miss something.
