

State Net® Issue Channels

Create Time

Creating more time in your day; what is that worth? When you use the issue screening service, our experts carefully review new bills, regulations and updates so you can take action. Each year our team analyzes 150,000 bills and regulations generated by all 50 states and the federal government, and organizes them into easy-to-follow issue channels. Create more time in your day to be more impactful.

Over 150,000 Bills and Regulations Reviewed Each Year + 22 Topic Areas

Define what issues you want to concentrate on, down to the specific sub-channel.

Professional Plan—Up to **354** issue channels to choose from (**55%** of the bills and regulations reviewed by LexisNexis)

Elite Plan—Up to **all 1,100+** issue channels to choose from (**100%** of the bills and regulations reviewed by LexisNexis)

Also includes:

- Flexibility to customize issue channels for your own needs
- Create new issue channels, including private ones, to track unique issues
- Work directly with our team of experts
