

The Power of LexisNexis® Total Litigator—

The only tool designed around the tasks you must accomplish throughout the litigation process

LexisNexis Total Litigator offers intelligent one-point access for a simplified approach to the critical content, tools and services mapped to the way litigators think and work.

Total Litigator identifies the key stages of the litigation lifecycle and provides a simple yet comprehensive method for managing your litigation tasks. In fact, in the first and only endorsement provided to any organization, NITA® (National Institute for Trial Advocacy) states that LexisNexis Litigation Services and the new Total Litigator platform are “the best option for litigators.”

Seamless access to all the essential tools and information

1. Go to www.litigator.lexisnexis.com and click Sign On.
2. Click to select the tab for the type of task you want to perform.
3. Walk through the steps to complete the tasks.

Intuitive organization provides you with greater control

A Enter your ID and password to simultaneously sign on to [lexis.com](http://www.lexis.com)®, LexisNexis® CourtLink® and LexisNexis® File & Serve.

B Save valuable time by expeditiously obtaining citing references for a case, retrieving and printing multiple cases when you have the citations, or easily getting the full text of a case.

C Stay on top of the latest events with the current day's litigation news.

D Map out complete discovery strategies with timesaving tools and technology that help manage the discovery process.

E Gain online access to state and federal case law, codes and statutes, court documents, legal and business news, court rules and validation tools.

F Construct comprehensive background information by staying informed of activity that affects your case, getting expert insights, accessing more than 3.8 billion public records, and much more.

G Scour for key facts and reveal the insights that give you the winning advantage.

H Confidently manage the litigation process by having everything you need to meet your client's case monitoring needs.

Easily accomplish the tasks necessary to manage the litigation lifecycle

After accessing Total Litigator, easily and efficiently retrieve the highly relevant information that's critical to success with a case.

- Identify what you need to do.
- Select the appropriate tab and source/product/service task.
- Enter required information in the open fields and/or sequentially select from drop-down menus.
- Submit the completed search criteria.

Manage litigation documents with the right tools and information

- See how others have successfully drafted documents by reviewing Briefs, Motions and Pleadings from noteworthy cases.
- Draft winning legal documents with the aid of authoritative Matthew Bender® treatises and forms.
- Handle litigation more efficiently with LexisNexis File & Serve, filing electronically with the court, executing nationwide service of process and more.
