EXPERIENCE SHEPARD’S® AT RISK ON LEXIS+™

Ensure you are citing the absolute best authority for a point of law with unprecedented visibility into whether a case is at risk of being overruled.

Instantly view which points of law within the case have been negatively treated by other decisions in the same jurisdiction.

Easily assess the impact of the negative treatment and the degree of risk to the case and related points of law.

EXPERIENCE THE DIFFERENCE WITH SHEPARD’S® AT RISK

+ Leading Shepard’s Editorial Analysis
+ Integrated with Data-Driven Insights & Practical Guidance
+ The Most Modern & Streamlined User Experience

ONLY ON LEXIS+

EXPERIENCE RESULTS WITH SHEPARD’S® AT RISK

• Cite the most accurate authority for a point of law.
• Get a complete picture of the related risks and citing relationships.
• Solve for potential weak points in your argument and strengthen your position and strategy.
