Login screen

- Forgot Password can be used on an unregistered device
 - Addresses problem: a user cannot request a new password on a device they have never signed in with.

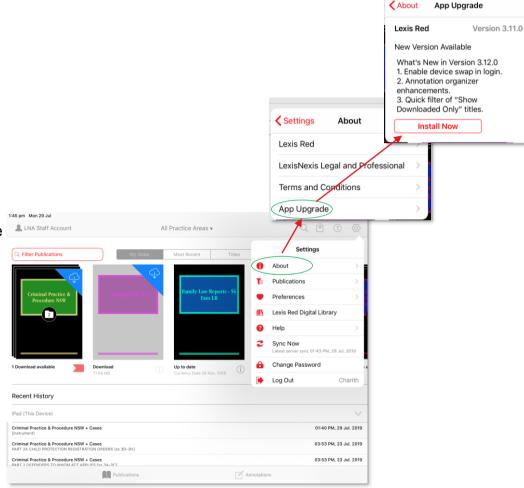

Screenshots

Settings screen

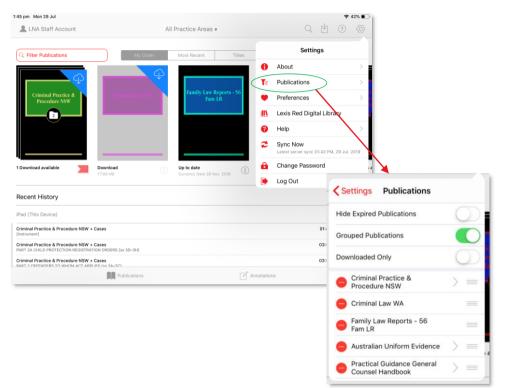

- App upgrade option
 - Addresses problem: user cannot easily update the app if they dismiss the initial upgrade notification.

Screenshots

Settings screen

- [iPad only] Re-arrange titles now under Settings
 - Addresses problem: re-ordering titles on iPad is unintuitive and inconsistent with the user experience on other Lexis Red devices.
