# Introducing Protégé™ General AI

Need to complete more AI-driven work with the security and reliability of Lexis+ AI™?
With **LexisNexis Protégé™ General AI**, it's just a toggle away.

Protégé │ General AI

Flexible choice of models grounded in web content with LexisNexis® Citation checking.

Protégé │ Legal AI

Grounded in authoritative LexisNexis content and fine-tuned for legal use cases.

The Best of Both Worlds

Toggle between Legal AI and General AI to complete more AI-driven legal and non-legal work in one secure environment.

Integrated General and Legal AI

By securely combining Protégé General AI and Protégé Legal AI in one solution, legal professionals can solve more problems faster.

Protégé │ General AI
