## THE DIFFERENCE BETWEEN LEXIS.COM® AND LEXIS ADVANCE®

LexisNexis® services offer **65 billion public and proprietary records** refreshed daily with an additional **one million documents**.\* With the Lexis Advance® service, you'll find the same vital public records research content and capabilities you've come to expect at *lexis.com*®—plus more, including features not available when the *lexis.com* platform was developed.

### Get the same great content on one screen at Lexis Advance

#### LEXIS.COM

- A wide range of LexisNexis® Public Records sources are on one screen page.
- **Non-Public Records sources**, such as Verdicts & Settlements, are also added to the lengthy Public Records menu screen.

#### LEXIS ADVANCE

- Find the same wide range of Public Records sources most used by subscribers on one, streamlined screen, plus:
  - > **Photos** of sex offenders are included in the Sexual Offender source.
  - > **Photos** of criminals are included in the Criminal Records source.
  - > **Educational data** is included in LexisNexis SmartLinx® Comprehensive Person reports.

*Watch for more Public Records sources coming to the Lexis Advance service.*

- **Only Public Records sources** are listed on the menu screen for faster navigation. Still find other sources such as Verdicts & Settlements from the Lexis Advance home page.

### Navigate streamlined search forms and easier-to-understand results at Lexis Advance

#### LEXIS.COM

- **Fill-in-the-blank search forms**. Also search with **words and command** via some search forms, if you choose.

#### LEXIS ADVANCE

- **Same fill-in-the-blank search forms and search command options**, but each Public Records search form has been streamlined, so it's more intuitive and easier to fill in.

## LEXIS.COM

- If you select a Public Records source that is **outside your plan**, a warning screen displays.
- **SmartLinx® reports** (Comprehensive Person, Business and Location reports) show you **report contents and sometimes further searches**.
- In Public Records word and command search results at *lexis.com*, you can search the results list via the **Find box** or search for words in the retrieved documents via the **FOCUS™ box**.

## LEXIS ADVANCE

- **Warning screens for out-of-plan sources** at the Lexis Advance service provide the exact charge you will incur, so you can choose whether or not to search.
- **SmartLinx reports** (Comprehensive Person, Business and Location reports) **better delineate what's in your report and what's not included**, so you know your next step faster.
- In Public Records word and command search results at Lexis Advance, **refine with one search box on your results screen**. Enter the search term and choose **Find** (search results list) or **FOCUS** (search results documents).

## Plus ... find standard Lexis Advance features added to Public Records

### LEXIS.COM

- Access and re-run your Public Records search in **History for 30 days**.
- **Print, email or download** results documents. Lengthy SmartLinx reports on people, business and locations are multiple pages.

### LEXIS ADVANCE

- Access and re-run your Public Records search in **History for 90 days**.
  - > Plus researching History at the Lexis Advance service **saves your email sends** for 90 days in case you need to send again.
- **Print, email or download** results documents. Lengthy SmartLinx reports are **delivered with a linkable table of contents** so you can navigate report sections quickly. (Not available via *lexis.com*.)
